Moving Towards Our Destination

by Chaz England, Editor

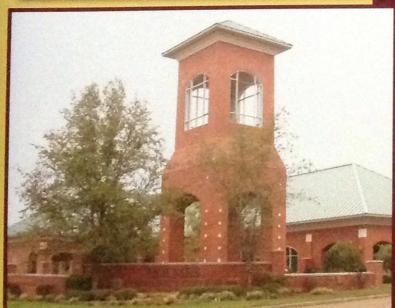

Each of us is on an amazing journey through life. As students, faculty, administration, or staff, we all have different destinations: a career, a four-year university, retirement, or simply 'tomorrow! However, each of our journeys has something in common: an enriching experience at Holmes Community College!

Holmes has a history that is rich in tradition and excellence. Since 1912 Holmes Community College has provided its students with valuable, high quality education. From Holmes' beautiful campuses to the coursework, Holmes truly prepares students for success in and outside the classroom.

An old saying goes, "The more things change, the more they stay the same." This proves to be true as the overall structure of the college remains the same year to year, yet change is constant with technological and capital improvements. The current president of Holmes, Dr. Glenn Boyce,

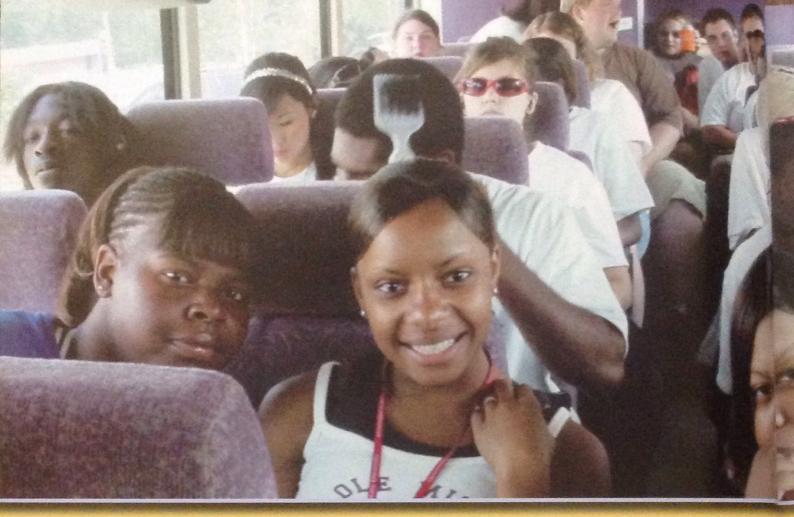

has a quite clear stance on change. He wants Holmes to continue to change, grow, and thrive while still holding on to the traditions that make our institution better than other community colleges throughout the nation.

Holmes Community College's mission is to prepare students for university transfer, productive employment, and lifelong As the college continues to experience enrollment growth and expand its services and facilities, the integration of advanced technology with the overall operation of the college presents many new opportunities to students and educators. New resources such as the new Holmes Community College website and the new 'My Doghouse' portal enable Holmes students to flourish. Students have clear communication with their instructors and a free channel of communication and trade of information with their peers.

Campus life at Holmes includes a variety of organizations, sports, and clubs. Students often leave Holmes with knowledge, self confidence and experiences they never dreamed of having. Holmes is a place where good ole country boys become cheerleaders, average students grow to become members of Phi Theta Kappa, a fry cook can become a pre-med major, or a single parent can obtain the basis for a promising career.

Whether you choose campus-life in Goodman, or an easily accessible commuter campus in Ridgeland or Grenada, one will always find a tradition of excellence that will aid them toward their life goals and destinations.

going Off Roading

What would college life be without off-campus trips and hangouts? Whether it's late night dirt-road riding or a quick bite at Ricks, Holmes' off-campus hangouts are just as cool as its on-campus hangouts. Off-campus hangouts give students an opportunity to venture off campus and take their education and apply it to real world. Aside from a potential learning experience, a more simple reason for off-campus hanging out -- funl Whether it's a long late-night ride down the picturesque two-lane highways and back roads of Holmes County or a trip down Countyline Road in Ridgeland, all Holmes campuses are located in prime locations for entertainment, exploration, and discovery. Throughout the school year, students on the Goodman Campus take trips with friends to nearby Durant, Kosciusko, and even as far as Jackson or Memphis. Any student involved with a sport at Holmes will make trips to the opposing teams' towns.

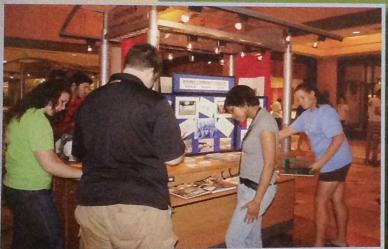

The wetter months constitute off-campus retreats to muddy areas for a Holmes staple activity called dirt-riding or "dirt-ridin" as we pronounce it. To dirt-ride, it is necessary to have a vehicle, preferably a truck with four-wheel drive, and wear some old grubby clothes because it will get messy! If you want a more civilized activity in which to participate, you may opt to take a trip through the back roads of Holmes County to the pastoral

red hills of Attala County and Kosciusko, birthplace of Oprah Winfrey. Kosciusko is also home to many popular restaurants like Pizza Hut, Penn's, El Rodeo Mexican Restaurant and Chinese restaurants, as well as the popular hangout for quick purchases, Wal-Mart.

Whether it's a late night hangout with friends at Ricks for a milkshake and Bacon Cheeseburger Combo with extra cheese, or an excursion through the historic town of Goodman, students on the Holmes Community College Goodman Campus always have a plethora of hangouts to choose. On the Grenada Center during warmer months, trips to the town's namesake and jewel, Grenada Lake, are popular. Students can take part in water skiing or just relax shore-side to talk about their studies. Grenada Center students are within reach of nearby Memphis which gives them a taste of big city life.

Regardless of which Holmes campus a student attends, the actual campus and its surrounding communities are perfect sites for social gatherings and exploration. It's an exceedingly good option because it is those very trips that help students learn and apply what they've learned.

Holmes Community College commits to providing its students with top-of-the-line technology. During the summer of 2007, Holmes launched its very own internet portal, "My Doghouse," and a newly designed Holmes website that proves to be more user-friendly. A portal is simply a website that is home to the campus' information in one central and convenient place where students can easily access it without using any resources other than a home or public computer. "My Doghouse" portal provides students, faculty and administrative staff with world-class internet services. Within a student or faculty member's "My Doghouse" account, one can access any of the following: registration, class schedule information, financial aid information, scholarship information, grade information, campus and world news, student email, and much much more!

"My Doghouse" is a single point of access to all of Holmes' online services, including administrative services that have been provided on campus in the past. Prior to the "My Doghouse" portal and current website, students had to acquire most of their information either by mail, over the phone, or by actually going to a particular office to obtain information such as class grades, financial aid information and classification status. Needless to say, "My Doghouse" and the new Holmes website are quite suitable for a college student's lifestyle; everything is conveniently located in one place with easy, secure access and privacy. This new web portal serves as the primary communication tool between the College and its students, faculty to student, student to faculty, College to staff, etc.

"My Doghouse" is a more centralized place where all Holmes affiliates can go – students, staff, alumni and friends alike. Upon graduation "My Doghouse" still serves as a connection to current students, Holmes alumni and friends of the college. "My Doghouse" can be accessed from any computer with an internet connection and a web browser. The URL for "My Doghouse" is http://www.my.holmescc.edu.

The new Holmes Community College wireless network is located on all campuses of Holmes Community College and is the primary internet option for all students and faculty. Students may access the wireless internet network by entering the username (guest) and the password (access) during the Verification prompt. Students now have the freedom of surfing the internet in their dorm rooms without having to leave the dorm for the library or computer lab on the Goodman Campus. Students may now study around the campus with laptops, commune and have outside study groups if desired. New technology is now a constant on all Holmes campuses!

Holmes Community College is a modern college of the Twenty-First century that believes in change, while keeping a tradition of excellence. The entire Holmes network embraces change brought about by a constant increase in enrollment Changes include: rennovating buildings, providing the college with an improved curb-appeal, and providing student with a better environment that is conducive to learning. Several major rennovation projects took place on the Goodman Campus during the Summer of 2007, and fresh coats of paint and framed photo art have found their way to buildings are each campus. The Ridgeland Campus' technology building received a total rennovation.

A total rennovation has taken place at the Social Science Building on the Goodman Campus. The once wood-panel ladder building is now a fun and technology-friendly haven for learning. The interior is now home to three spacious classroom and three offices for the Social Science instructors on the Goodman Campus. Each room in the Social Science Building has a ceiling-mounted projector and screen, as well as a podium with PC and presentation equipment for instructors Caroline Barton, Dan Edwards, and Laurie Cheatham.

Goodman Campus Police received their new digs in a newly rennovated portion of Lorance Student Center (The Canteen). The former Arcade is now Campus Police Headquarters where officers can work comfortably and more efficiently. The facilities of Campus Police now has an open lobby and offices. Another major addition to the Goodman Campus is the ticket booth and restroom complex at The Ras M. Branch Stadium. The facilities are located a-top the hill behind Grenada Hall. Visitors can now purchase tickets for Holmes football games and also have restrooms in close proximity.

Motel Dorm was given a complete "over-haul" as it prepared for mostly sophomore residents for the Fall of 2007. Ceramic tile bathrooms, clean dorms with a fresh coat of paint on all the surfaces, and wireless internet and cable-ready rooms were all part of the dorm's perks.

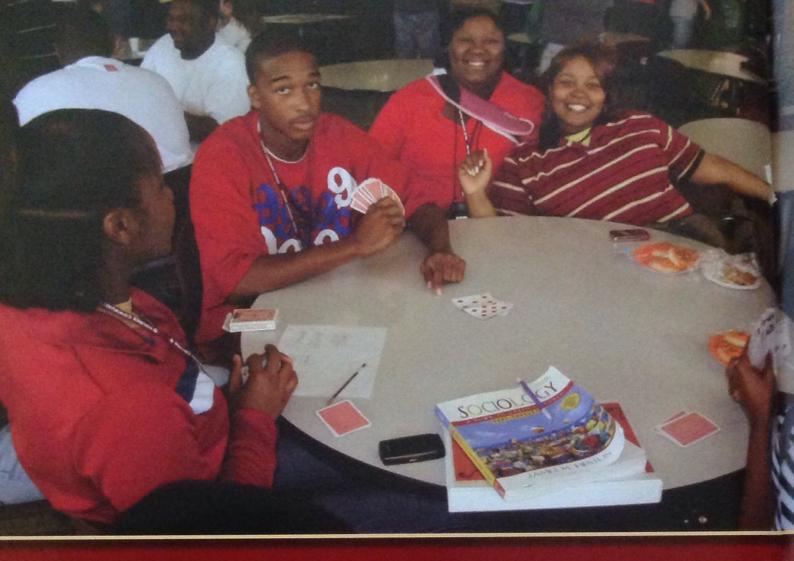

Over the past year, the Goodman Campus saw many changes. McDaniel Hall was given a fresh coat of paint and certain offices were given a facelift. Through alumni efforts, the Holmes House received a circle drive and parking, as well as a landscaped courtyard. Painters have been spotted everywhere working diligently all year long to improve outer apperances. The football locker room and weight room was totally revamped with new lockers, equipment, and remodeling. A new roof was added to the Fine Arts Building. Improved and updated seasonal decorations proved to make a huge difference in the campus' appearance.

Rennovation continues for one of the Goodman Campus' oldest dorms, Grenada Hall. Grenada Hall was given a fresh coat of paint throughout its interior as well as tin plated segments above the roof over the doorway awnings. Accompanying the interior facelift of Grenada, students also welcomed a newly designed courtyard area, ideal for relaxing and studying.

Holmes Community College has been experiencing a steady increase in enrollment over the last several years. The Ridgeland Campus of Holmes Community College is in the process of adding buildings and parking spaces to accommodate the growth. The technology building has seen a complete rennovation. The east side of the building will house the Associate Degree Nursing Program including multiple offices, classrooms and labs. The west side will house the bookstore, police department and a new student center with a short order grill.

The enrollment increase on the Ridgeland Campus of Holmes has also created a need for additional parking spaces. A new parking lot adding 44 additional parking spaces west of the McGowan Workforce Training Center has recently been completed and is being used for the first time this semester.

Everywhere we look, it is apparent that Holmes Community College is dedicated to growth and improvements.

Life of a Buildog

At Holmes Community College, bulldogs (students) have always had plenty of on-campus activities to keep them busy. Because getting an education is the main purpose for enrollment, most students spend the majority of their time either in classes or studying. However, when study time is over, student activities, jobs, club involvement, Holmes sports, and/or family life prevent any student from getting bored.

Student activities directors kept the year full of fun events for the students: Dances, dominoes, cookouts, movie nights just to name a few. The 2007-08 school year welcomed new student activities directors: Tina Boyette, Goodman Campus and Amanda Lewis, Rigeland Campus. Michelle Burney and Tracy Herring continued to organize activities for the Grenada Center.

On the Goodman Campus, students have popular areas they like to congregate while not in class. Dorm rooms and lobbys provide havens for students to lounge and relax. The Can has always been a place where one may find large numbers of students; here students grab a bite to eat, play pool, cards, dominoes, bunco, study, or just visit with friends. Popular events

on the Goodman Campus include: Phi Theta Kappa's sidewalk cafe, cosmetology's womanless beauty pageant, football, basketball, softball, and baseball games, tennis matches, coffee house, Spring Fling, Fall Fest, homecoming, steel and jazz band shows, BSU, Wesley, FCA, intramurals, ultimate frisbee, pep rallies, waterslides, cookouts, and the list goes on.

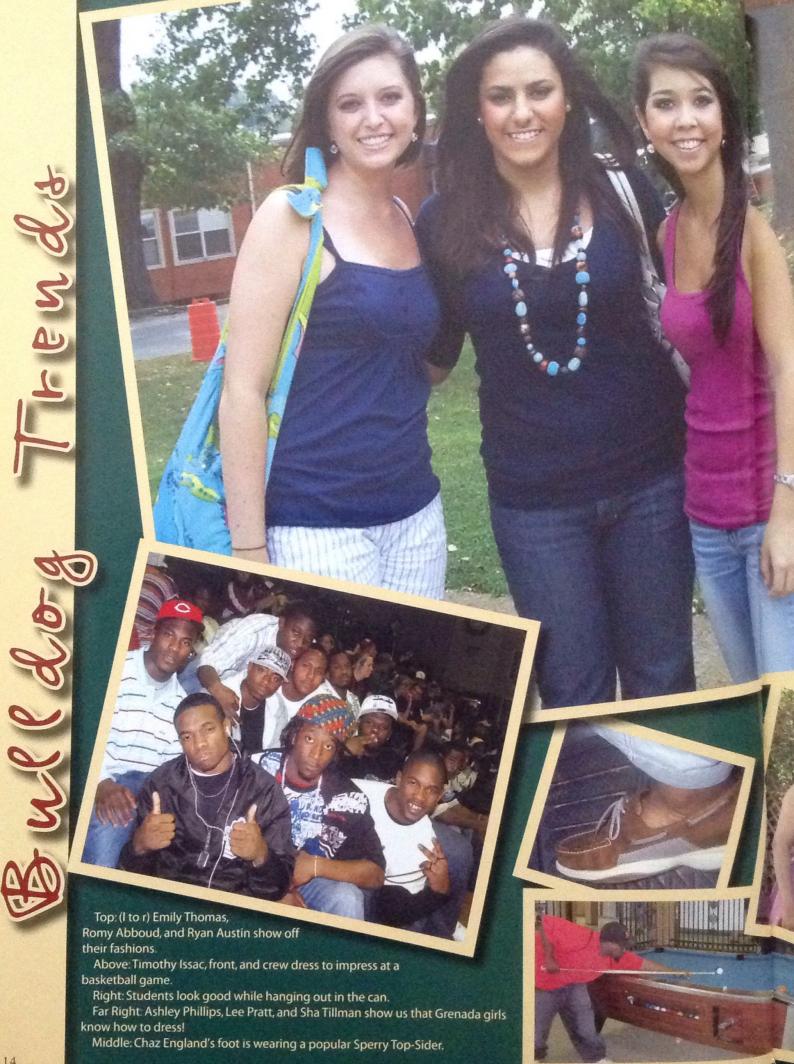

This year the Grenada Center made other campuses envious with their spectacular functions. Womanless beauty pageant, Fall Fest, Decades Mixer, Spring Fling, and the Thanksgiving feast were enjoyed by all! Grenada students enjoy relaxing in the courtyard, at the grill or library, or outside.

Ridgeland Campus students enjoyed the annual Fall Fest and Spring Fling, as well as other activities. These students may be found in stairwells, lounging in the grass, or sitting at the outdoor patio furniture. Studying in the library has also been a common activity for the Ridgeland students.

For those with jobs and/or families off campus, managing course work is a juggling act. Holmes has accommodated and adapted to the fast-paced lifestyles of today. Students at Holmes know that the knowledge they gain here promises opportunity, better jobs, and a better quality of life.

No matter how students spends their time here at Holmes, some factors are almost guaranteed for all. Chances are we have all made new friends; some will prove to be life-long. Experiences have taught us to be more independent and strong, even if sometimes we learn things the hard way! As we journey to the next chapters of our lives, the value of our education from Holmes will become more and more obvious.

We must always remember to live as Bulldogs: respect others, keep learning, take time for fun, and never forget people and places that help you along the way.

tolines Sets The Trend With Trends

By: Chaz England, Amanda Frazier, Adrinie Freeman, and Brittney Brown

One thing that all Holmes students can agree upon is that fashion is definitely part of what makes college so fun and being able to express individual style and flair is definitely one of the most fun things a student can do at Holmes, especially if you have a group of friends to do the same.

Holmes Community College certainly isn't the fashion capital of the world, but we sure do know how to dress! On all campuses of Holmes, students expressively wear whatever he or she desires to wear, as long as they wear it well! At Holmes, trends differ from campus to campus because of locational preference in styles but the overall trends are constant. Regardless of whether you're on the Goodman, Grenada or Ridgeland campus, trends are still evident in any setting. If you chose to wear the new stylish stilettos or the new Nike Shox that come in every color imaginable, you were really stylish this year. Everyone showed off their personal style by mixing a popular shoe with matching jackets or bracelets.

Fashion in the Fall included colorful layered polos with jeans and matching shoes with bracelets as an accessory. Bright colors such as pink, yellow, baby blue and lime green were staples for the fashionable Fall semester student at Holmes. The colorful Cotton shirts with the huge Cotton logo were also still fashionable. Some of the accessories that go along with the colorful combos were diamond chains for guys, white pucka shell necklaces for guys and girls, and

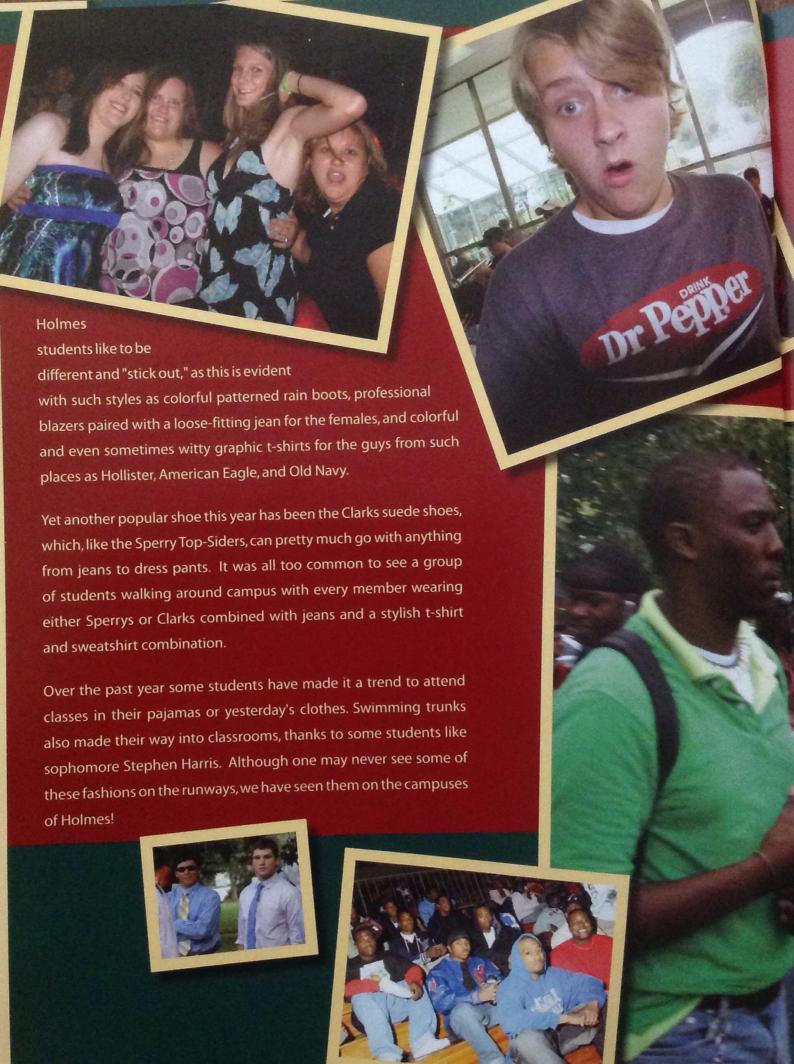

loud beaded necklaces and chokers for girls.

In the Winter, such brands such as The North Face, NASCAR jackets, Sperry Top-Sider boat shoes, or the ever-popular Letterman jacket all were in sync with Holmes students. Everyone had their own pair of Sperry's, which go with anything from jeans to sweatpants! North Face jackets were of course all the rage on all three campuses as the temperatures dropped.

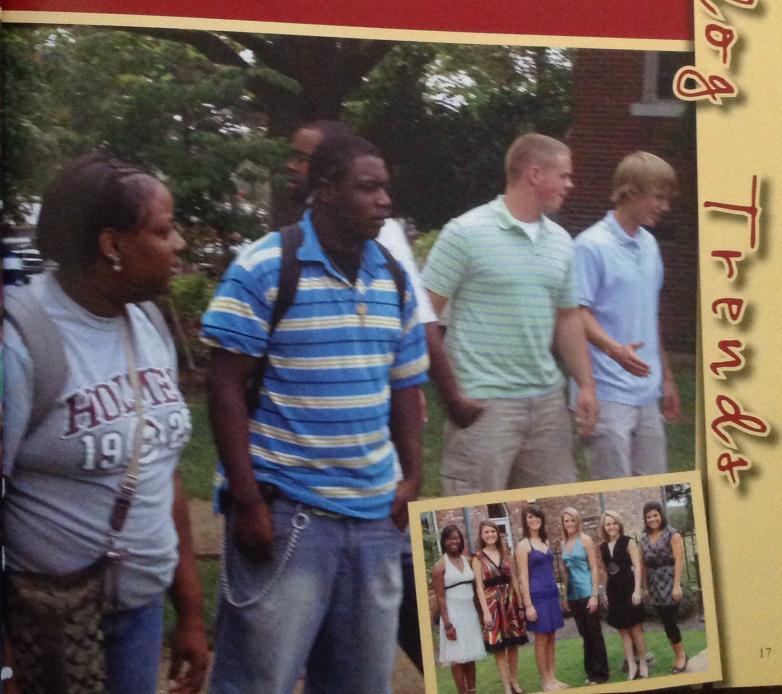

Above: Katrina LeFlore shows off her stylish boots with fur and short jacket.

Electronic accessories that were hot this year as far as computer technology goes would be such things as iPods, Apple laptops and internet-ready smart phones, which most of the students at Holmes possess. When it comes to the ultimate cell phones and electronics, Holmes students spared no expense as they purchased Apple iPhones, Samsung Blackberry Pearls, and Blackjacks were common sights among HCC's students. Other electronic must-haves were the iPod Touch, which is internet-ready and Zune MP3 and MP4 players, which offer videos as well as snazzy tunes. Texting has been the most popular form of communication for students. Social networking websites like Myspace.com and Facebook. com have also been extremely popular. Goodman internet access has flooded the dorms with use of laptops and computers. Technology is definately a trend at Holmes.

Whatever the style of clothing, type of cell phone or other electronic device, Holmes students are always trendy and exhibit excellent fashion sense -- it comes with being a Holmes Bulldog!

Janet Simpson

Janet Simpson has shared her musical talents with Holmes Community Colleger for twenty-two years. As a music instructor on the Goodman Campus she has helped many Holmes students develop into successful musicians.

When Simpson began teaching on the Goodman Campus in 1986, she was no stranger to the campus. She is an alumna of Holmes Junior College when she received an associate of art degree with a double major in piano and vote. While at Holmes she was a member of the choir and Coachmen. She was the valedictorian of the 1970 Holmes Junior College graduating class.

After graduating from Holmes, Simpson attended Mississippi State University graduating with both a bachelor's and a master's degree in music education. State was a Dean's Honor Award recipient at MSU.

With an unselfish spirit, she has worked countless hours for the college outside the classroom. In addition to accompanying musical groups, she was also one of the advisors for the Kappa Alpha Chapter of Phi Theta Kappa. She also volunteered her musical talents throughout the surrounding community and he church. She sang the national anthem at Ronald Reagan's visit to the Mississipp Republican fund-raiser.

Simpson and her husband, Richard, also an educator, live in Kosciusko. The Simpsons have two adult children Molly and Rich. Molly and her husband Shannon Singletary live in Oxford with their three children, Shelby, Matthew, 4, and Jane Ann, six months. Molly is a pediatrician and Shannon is a physical therapist employed with the athletic department at the University of Mississippi. Rich and his wife, Amy, and their daughter, Emma, 3, live in Brandon where Rich is an orthodontist with a private practice and Amy is a registered nurse.

Simpson enjoys cooking and sewing in her spare time. In addition to these hobbies and her church work, she will spend several days each week in Oxford babysitting.

The 79th edition of Horizons is dedicated to Janet Simpson in honor of her years of dedication and commitment to Holmes Community College.

Geneva England

Geneva England has devoted the entire span of her career in education to teaching students English, oral communication, literature and creative writing. Following her stint at John Rundle High School and Kirk Academy she came to the Grenada Center of Holmes Community College

England holds an undergraduate degree from Mississippi State University in elementary education and a degree in secondary education with an emphasis in English and social studies. She also has a master of education degree in English and a specialist degree in secondary English from the University of Mississippi.

She has traveled to many scenic and educational points in Europe, Asia, Africa, and the Middle East and has been a published writer with her educational and religious articles. England has also devoted much of her time to helping students win local, state, regional, and national writing awards. She has received numerous Teacher of the Year and Star Teacher awards throughout her tenure as an educator.

In addition to England's dedication to her teaching profession, she has been an avid leader and volunteer in her church and community. She quotes, "Much of this participation has benefited the students, which was my ultimate goal. My goal

in life has always been to help educate young people to their fullest potential. I am keenly interested in making the English language and literature an integral part of their lives by broadening their concepts of our heritage and enriching their environment."

Because of her passion for teaching and enriching the lives of Holmes Community College students the 79th edition of Horizons is dedicated to Geneva England.

Steve Caldwell

In 1979, Steve Caldwell earned an associate of arts degree in data processing from Holmes Junior College and has dedicated himself to the college since that date. As Executive Vice President/Business Manager, Caldwell manages a number of business affairs for the college and oversees the extensive budget process.

Having already started his career at Holmes, Caldwell furthered his academic qualifications as he earned both a bachelor's and a master's degree from Mississippi State University. His first position at Holmes was Programmer-Data Processing Manager. Over the course of his tenure with the college he has served as Director of Computer Service/Records, Computer Technician, Assistant Business Manager, Director of Computer Services, and Business Manager.

He has always shown a willingness to serve as a team player for the college assuming numerous extra duties throughout the years supervising dorms, driving the buss and serving as a radio announcer. He has worked untold hours and his dedication is to be commended. His work ethic sets an example for all to follow.

Caldwell was selected as Outstanding Chief Business Officer for Region IX and was recognized at the Community College Business Officer's 25th Annual International Conference in Orlando in November, 2007.

He is married to Cheryl Shaneyfelt of Pickens. The Caldwells have two children, Bryan and Elizabeth. Bryan holds a bachelor's degree in psychology from Mississippi State University and is currently pursuing a master's degree in business administration. Elizabeth is a sophomore Delta Gamma at the same institution, pursuing an undergraduate degree in the medical field.

The Caldwells enjoy getting together at Cheryl's parents' family farm, Hoffman, near Durant in their spare time. It is for his years of dedication and service to Holmes Community College that the 79th edition of Horizons is dedicated to Steve Caldwell.

Bettye Parham

Bettye Parham has been dedicated to teaching students at the Grenada center for 21 years. She has taught a variety of business courses including accounting, statistics and economics. She has also served as the District Department Chair for business administration and economics.

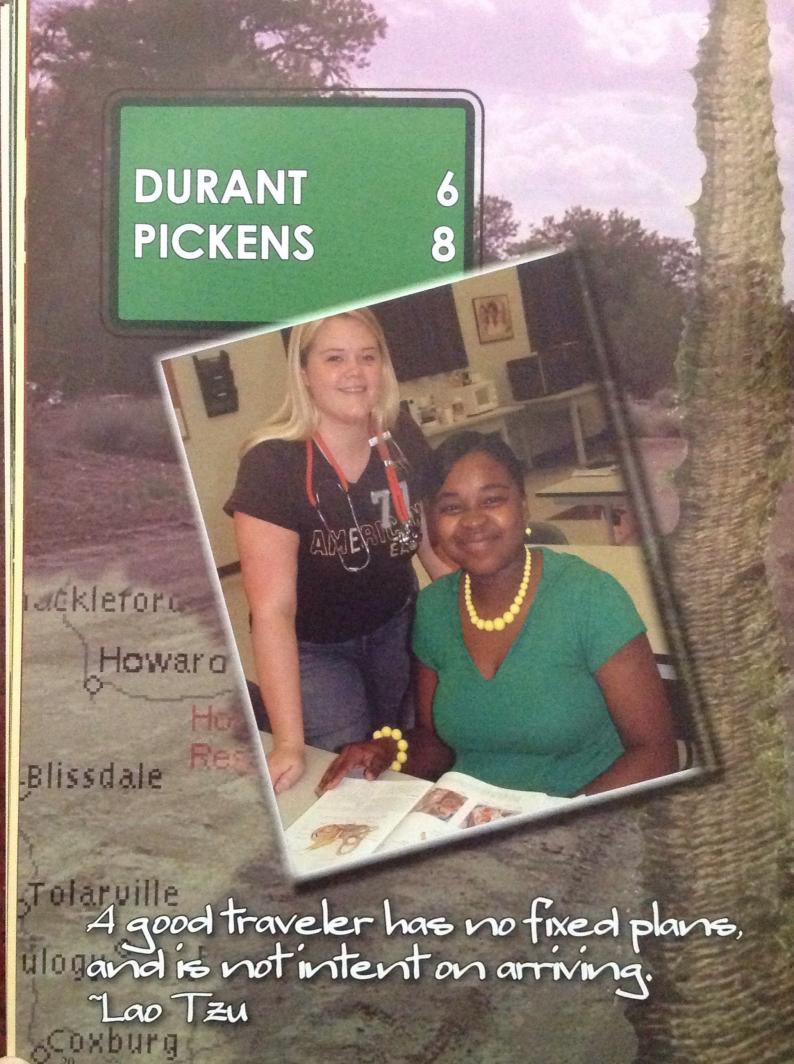

After getting married and having four children, Parham began a college career at Northwest Jr. College earning an associate of arts degree in accounting in 1973. She then went on to obtain a bachelor of business administration degree in accounting from the University of Mississippi. In 1986, she completed her college requirements for a master of business administration degree from Delta State University.

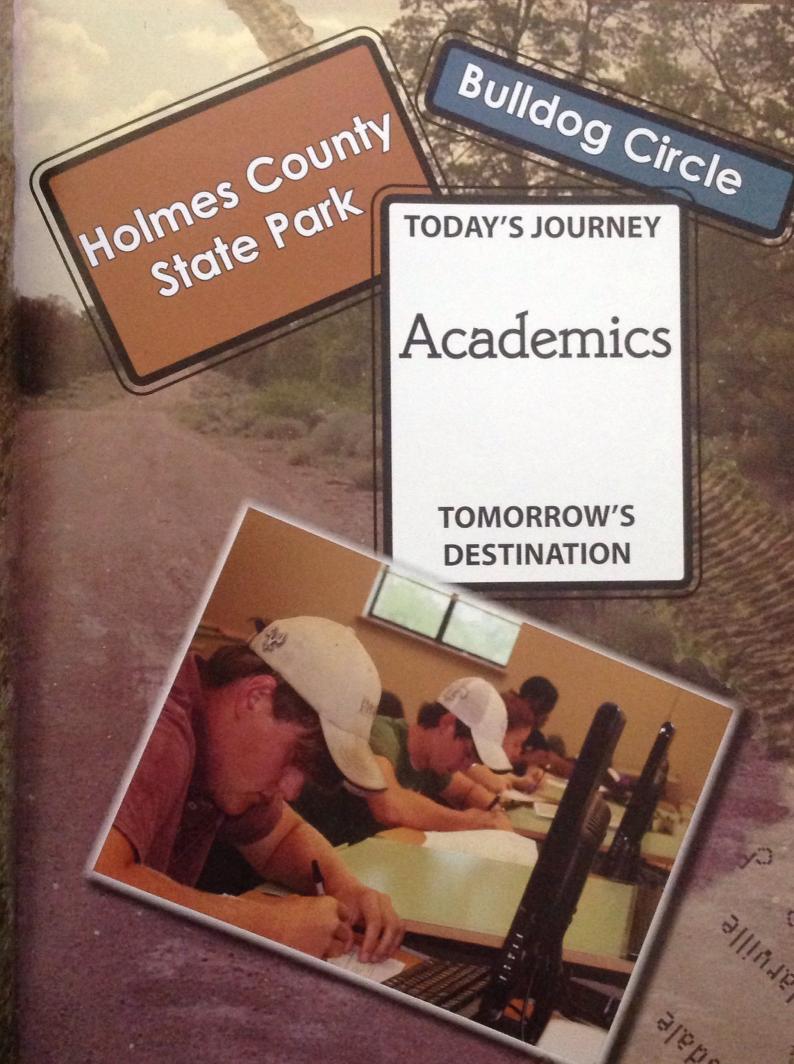

In addition to her teaching duties at the Grenada Center, Parham is a Phi Beta Lambda club advisor and also an advisor for the Wesley Foundation.

She is a member of First United Methodist Church in Grenada and has been active in Junior Auxiliary, Berta B. Calhoun Fine Arts Council, Grenada Garden Club, and Grenada Chapter Foster Parents.

It is for her years of dedication and service to Holmes Community College that the 79th edition of Horizons is dedicated to Bettye Parham.

Through instrumental music James Bailey, director of bands and Jeffery Brown, associate director have done an excellent job of bringing entertainment and joy to the fans and students at HCC. The band is just one BIG HAPPY family in which you will find friendships, relationships, and many memories. Being in the band brings a lot of fun, joy, and sweat! Band members must be dedicated and willing to endure the heat.

Bailey also directs the Jazz band, which plays snazzy tunes at yearly performances, sidewalk cafes, and

more.

Cindy Dugan leads the plane Steel band director Jeffrey has presented Brown crowd-pleasing performances throughout the year. Steel band plays a variety of non-native music, like reggae, Caribbean, South American music, and also some Spanish tunes.

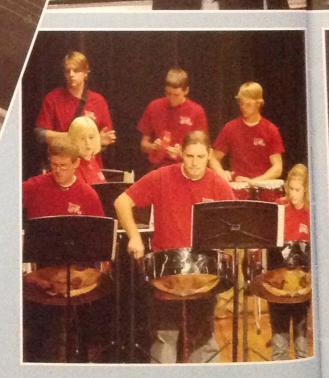

When Brown sees that the fans in the stands are 'juking' to the drum line he feels happy. Brown says, "the more the crowd 'jukes' the better the band plays." When the drum line does the popping, Brown encourages the musicians to get into the music and be expressive.

The spirit of Choir and Connection! was rekindled this year with fresh performances and amazing talent.

Joel Hill is Holmes' new director of choral music. He has been a music instructor for twelve years. He states that his semesters as an instructor here have been fun and he is happy to be back at his alma mater. While a student Hill served as a Connection! and Choral member.

Michael Yates, a former Connection! member, joined the Holmes family as Connection! director in the fall of '07. This highly enthusiastic group represents Holmes CC with shows in all nine counties and beyond.

Janet Simpson and Cindy Dugan also serve the Holmes music department as piano instructors and accompanists at performances. Performance music at Holmes has really shined during 2007-08.

HCC MUSIC

The Choral/Vocal Music, Piano, & Guitar areas of the Music Division are located in the Montgomery Fine Arts Building on the Goodman Campus. Holmes offers classes in choral music, show choir, voice, piano, and music theory, as well as music education for elementary school teachers and childcare specialists. Three Associate of Arts in Secondary Music Education degrees can be earned in the areas of Voice, Piano, and Guitar.

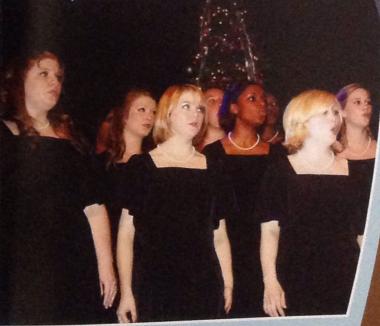

This year Holmes must say farewell to long-time voice and piano instructor, Janet Simpson. She will truly be missed by all.

GETTING TECHNICAL

promising careers start here

Fulfilling its mission to provide students with the skills necessary to enter the workforce after graduation, Career/Technical Education at Holmes Community College continued to offer quality technical programs leading to an Associate of Applied Science or a two-

year certificate as well as career programs leading to a one-year certificate.

A proposal for Conservation
Law Enforcement Technology at
Grenada received local and state
approval in Spring 2007 for Fall
2007 implementation. The technical
program, which was developed
locally, combines forestry courses
and criminal justice courses with
required academic courses to
prepare graduates for entry-level
positions as Mississippi game
wardens.

The paralegal program in Ridgeland has continued to grow; the program has been well populated, attracting students through its traditional day classes, its night classes, and its offerings through distance learning. At Ridgeland, Engineering Technology experienced sizeable growth in its freshmen class in the fall.

Although the primary emphasis of Career/Technical programs is work readiness for high-demand, high-wage occupations following graduation, some of the programs have articulation agreements that provide for transfer into a four-year program at a senior college. Students have enjoyed exciting classes in the following: Automotive, Business & Office Technology, Medical Office Technology, Office Systems Technology, Collision Repair Technology, Computer Network Support Technology, Computer Programming, Cosmetology, Emergency Medical Technology (Basic / Paramedic), Construction Engineering Technology, Drafting & Design Technology, Forest Technology, Funeral Service Technology, Practical Nursing, Welding and Cutting Technology, and so much more.

WE'VE GOT CLASS

knowledge keeps bulldogs a step ahead

From the moment students register for their first classes until graduation, Holmes has the privelege of educating some of the state's brightest and most promising individuals.

As we reflect on the year, every struggle has proven to be worthwhile. Dedicated instructors, long hours of study, the commute to class, and countless exams have all contributed to our success.

Students (and definately parents) have come to realize that getting a quality education has never been so affordable. An endless list of scholarship opportunities hs given Holmes students ways for paying for school while being involved.

HEADWAE 2007

Stephanie Burton

Higher Education Appreciation Day Working for Academic Excellence, or HEADWAE, recognizes outstanding faculty members and students from each of the state's colleges. The program was begun in 1998 by Cecil Simmons, a Mississippi State representative. Those selected are invited in the spring to the state Capitol to spend the day. In addition to attending a luncheon in their honor, they are presented to the Senate and the House of Representatives.

W School St E School St (1)

This year's faculty representative is Stephanie Burton. In addition to her duties as a math instructor, teaching all levels on the Goodman Campus, Stephanie Burton has also assumed the position of District Developmental Studies Coordinator.

Burton holds both a bachelor's and a master's degree from Mississippi State University.

She and her children, Ethan, 9, Noah, 6, and Jesse, 4, live in Goodman, where she is also the music director at Main Street Baptist Church.

Burton enjoys singing, playing the piano and chalk art.

The college's student HEADWAE scholar, a Ridgeland chemical engineering major, is Bonnie O'Neal. After completing her high school education in 2006, graduating from Northwest Rankin High School in Brandon, she began her college career on the Ridgeland Campus of Holmes. She is a Holmes

Community College Ridgeland Campus Ambassador, president of the Alpha Lambda Sigma Chapter of Phi Theta Kappa Honorary Society, president of the Math and Combined Sciences Club, Student Body treasurer, and Social Science Forum secretary.

O'Neal, a President's and Dean's List scholar, has been a Phi Theta Kappa All-USA academic team nominee from the Ridgeland Campus. She is the recipient of a Ridgeland Campus Physical Science achievement award and was chosen a Freshman Class Favorite on the Ridgeland Campus.

After graduating from Holmes, she plans to transfer to Mississippi State University to work toward a doctorate degree in chemistry. With a PhD in hand, her aspiration is to work for NASA.

LAMPLIGHTERS 2007

Holmes CC's outstanding faculty enjoy an enriching conference

Believing that "faculty are critically important in the building of a community of learning," in the spring of 1990, the Mississippi Community /Junior College Academic Dean's Association founded the annual Lamplighter Conference.

The three major objectives of the Lamplighter Conference are: to recognize and reward effective teaching in the Mississippi community and junior colleges, to give effective instructors an opportunity to share with one another those teaching techniques that promote learning, and to give classroom instructors exposure to classroom research.

Each representative of the institutions selected for this honor is recommended by his or her respective academic dean and in turn the president.

This year's conference was hosted by Meridian Community College in October. The participants were involved in three days of professional development and exciting entertainment.

Representatives

from Holmes Community College include; Grenada Center English instructor, Sissy Pierce; Goodman Campus Tech Prep coordinator, Laura Bigbee; Ridgeland Campus computer information systems instructor, Michael Pawlik; Grenada Center surgical tech instructor, Jessica Elliott; Goodman Campus English instructor, Sandra Measels; and Ridgeland Campus biology instructor, Tonya Lawrence.

Dr. Glenn F. Boyce, President

"My vision for this institution is that we will be seen as a first-class innovative community college" - Dr. Boyce

By Kervontae Jones

The President of Holmes Community College, Dr. Glenn Boyce, is a wonderful leader of the college that has been in education for many years.

His leadership ability and ableness to provide an environment that is suitable for not only learning, but also habitation, is one of his main priorities of being president of our wonderful institution.

Dr. Boyce says that he tries to get involved in as much as possible. He splits his time among locations in Goodman, Grenada and Ridgeland.

Major accomplishments during the 2007-2008 dealt with technology.

The Holmes Community College web site, www.holmescc.edu, was totally revamped and made more user-friendly.

Also, the school introduced a web portal for its students and staff members. The portal allows students to register for their classes online, send/receive e-mails, check grades, join groups, etc. Changes were also made to Blackboard, which allows more use of technology in the classroom.

Physical improvements included the reopening of Motel Dorm and painting and sprucing up at the Grenada Center. The maintenance building on the Ridgeland Campus is receiving a major renovation.

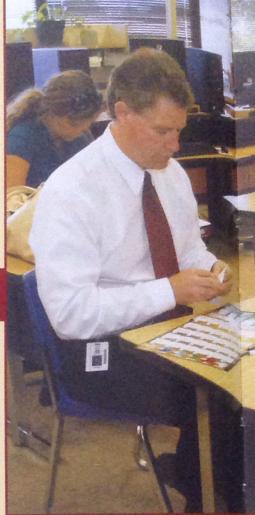

Dr. Boyce said changes have been made in customer service. He also said improvements have been made to project a certain image of the college. He said people are seeing thing moving forward.

He wants to continue to move forward. He wants Holmes to have an innovative classroom learning environment and wants students to experience the innovation. He feels that risk-taking is something to be valued.

Dr. Boyce's responsibilities as president include (but not limited to): Just about 24-7: meetings, speaking, persuing resources, keeping things organized; visiting all the different campuses; and traveling in the district.

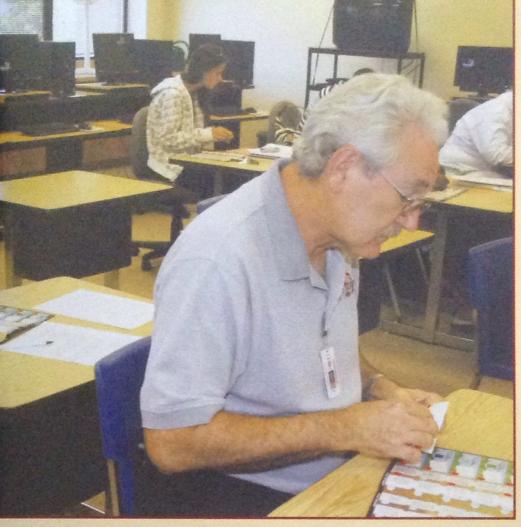

His time is split among meetings with administrators either at Goodman, Grenada or Ridgeland, going to presidents' meetings in Jackson, dinners at the president's home, Development Foundation meetings or other afterschool activities.

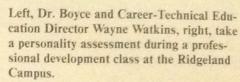

Holmes Community College is an institution that continues to grow and expand every day, and Dr. Boyce definitely helps in the expansion and growth of our college.

Graduation 2007

Tomorrow's destination becomes reality

Retired Holmes Community College dean of admissions and records, Gene Richardson, told the 2007 graduates in order to reach their goals they need a foundation, purpose, direction and success.

"When Christopher Columbus left the old world, he didn't know where he was going," Richardson said. "When he got here, he didn't know where he was and when he returned he didn't know where he had been. How will you keep this story from being your own?"

Richardson said foundation begins in the home and then continues in the church, school and workplace. "The stronger and broader it is, the better.

The elements of your foundations are comprised of things that are of the greatest value to you — family, faith, friends, the knowledge of right and wrong, love and kindness, forgiveness and compassion, hope and generosity, honesty and reliability and trustworthiness and dependability."

He agreed with Rob-

ert Fulgham that a lot of things taught to them as youngsters should carry over to adulthood. Some of them are share everything, play fair, don't hit people, put things back where you found them, clean up your own mess, don't take things that aren't yours, say you're sorry when you hurt someone, wash your hands before you eat, flush, warm cookies and cold milk are good for you, live a balanced life, hold hands and stick together, goldfish and hamsters and white mice and even little seeds - they all die and so do we, and then remember the Dick and Jane books and the first you word you learned, look, the biggest word of all.

Richardson assured the graduates that each one of them has a purpose. "Every one of you has one whether you know it or not," Richardson said "Every one of you has one even if you know what it is. A life lived without purpose is a life void of satisfaction, contentment and fulfillment.

"The reason many people don't climb the ladder of success is because they are waiting for the elevator. Success is giving more than is required of you when no one else will know the difference. Success is treating other people like they are more important than yourself in a genuine way. Success is not having everything you want, but being satisfied with every-

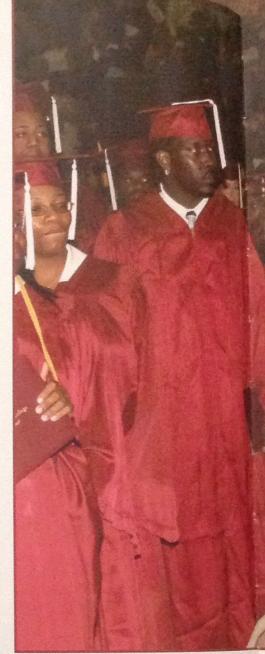

thing you have.

"Success is being joyful when there may be few or no outward circumstances that would cause you to feel happiness. Success is doing your best no matter what you are doing. Success is taking the foundation you have, strengthening it as you go through life, finding your life's pur-

pose and going after it in the most productive direction, with no thought of ever becoming complacent with where you've been, where you are and where you're going."

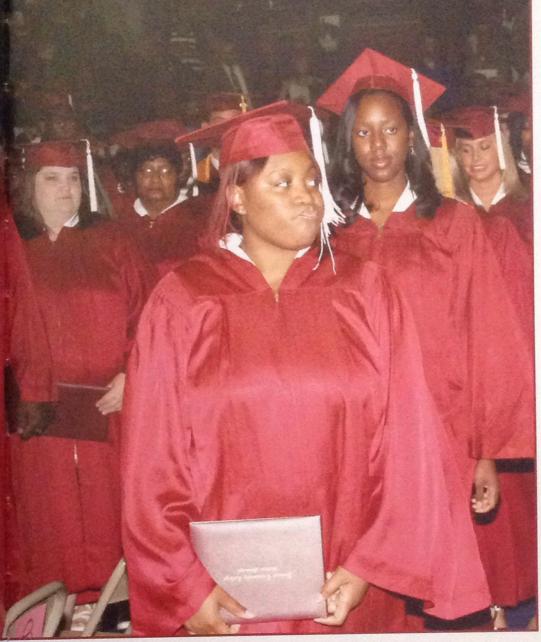

In closing, Richardson left the graduates with these words, "Go from here and with all that is within you make this world a better place for those who will come after you. God bless."

Valedictorians for 2007 included Andrew Nail, Sara Balch, John Mauney, Kasey Pee, Laura Shrock, Alyssa Stewart and Jessica Summers. The salutatorian was Hannah Wall.

Throughout Holmes' history, many things are said to be tradition. Definitely one of the most important events that we celebrate each year is Homecoming. Each year Homecoming proves to be a fun and exciting week and this year was no exception. Holmes Community College's faculty, staff, students, and alumni had a blast at Homecoming 2007, and everyone enjoyed the theme, "Wild Dawgs."

The Goodman campus started its Homecoming festivities off with the annual banner contest. Clubs such as the Ambassadors, BSU, and SGA all create their own banners using materials provided by the cheerleaders. The banners were hung along side the Vocational-Technical Building so that all could see the wonderful displays of creativity and school spirit. This year the Visual Arts Department took the grand prize in the banner contest (see top left photo.)

During Homecoming week at Holmes, each day brings about a new activity and theme for the day. This year's Homecoming had a day specifically for camoflage enthuseists on Camo Day, cowboy wannabes on Western Day, and even a day devoted to the Homecoming theme, Wild Dawgs day complete with a night-time biker pep rally, parade around campus, and fireworks display. Holmes truly goes all out for its homecomings!

Students enjoyed an array of other activities during the week of homecoming, including a pig chasing contest, homecoming dance, sidewalk cafe, college recruiting fair.

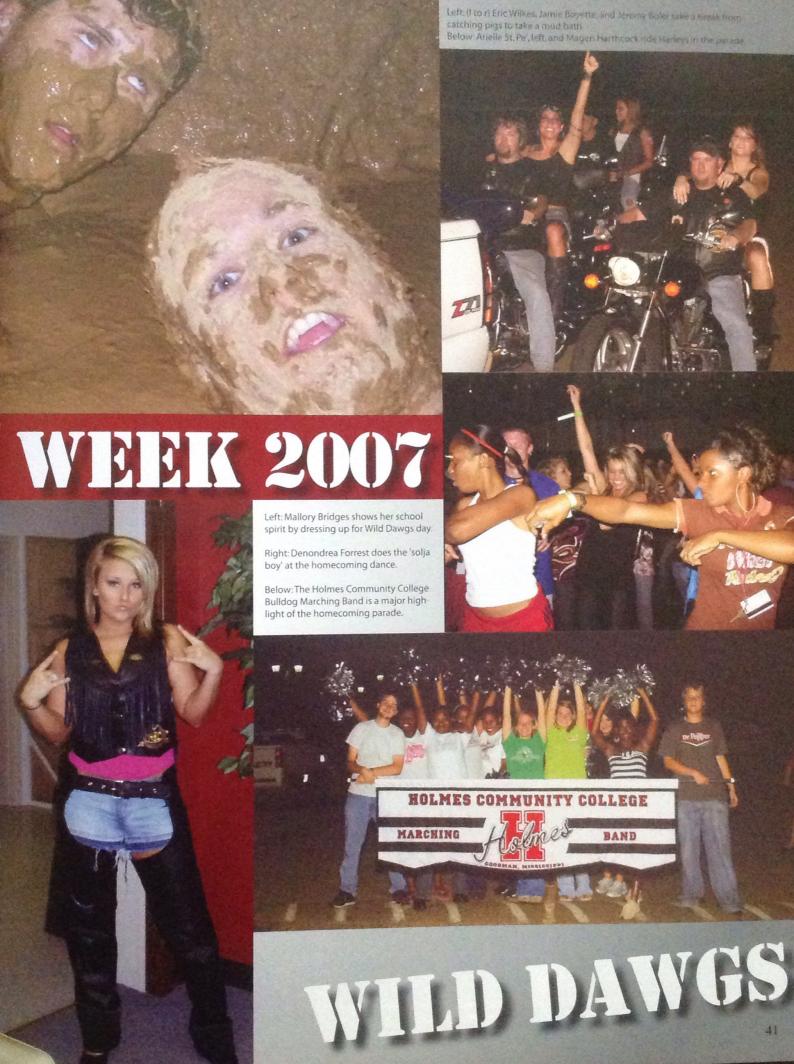

This year the annual alumni and sports hall of fame banquet held on Friday night before homecoming day honored: Ralph Barnes, Alumnus of the Year; Sam Reves, Distinguished Service Award; Monty Perry, Kenny Taylor, and Roy "Luke" Terry, Football Hall of Fame; Bennie Kimble, Basketball Hall of Fame.

The activities encompassing Holmes Community College's Homecoming are a culmination of events that lead up to the actual day of Homecoming. Homecoming day is a non-stop celebration on the Goodman Campus. This year the Holmes House, Art Department, Coliseum, and Library were all open to visitors. The library featured works from Holmes art nstructor Jay Cheatham, as well as works from Sharon Gardener. A class reunion for '46, '47, and '48 Holmes alumni was held in Carroll Cafeteria.

Alumni and students got to mingle with a celebrity on Homecoming day when Houston Astros pitcher and Holmes alumnus Roy Oswalt returned to his alma matter to see the retirement of his jersey. This was truly an exciting event! The baseball field was flooded with many who wanted to meet Oswalt. After the retirement ceremony and signing autographs, Oswalt took time to pitch to our very own dirtbags. Surprisingly, Jamal Peeples hit a home-run!

Before the Bulldogs took the field, honorees were announced, maids and their escorts were seated, and the choir sang the national anthem.

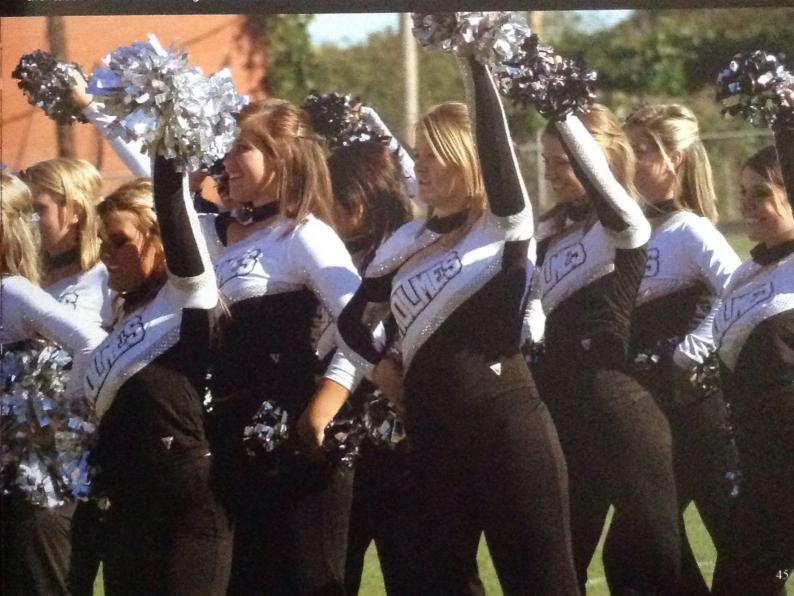

The halftime show consisted of a performance by the Holmes Community College Bulldog Marching Band, followed by the parade of maids across the field. Finally, Malorie King was crowned Holmes Community College Homecoming Queen by Dr. Glenn Boyce.

DISC DAVVGS ultimate frisbee: a student favorite

by Joshua Guest and Cody Walker

The ultimate team travelled to Tuscaloosa, Alabama on January 26 and 27 for the T-town Throwdown. They competed against various schools of different sizes, all of which were 4-year universities. They played 4 games.

Their first game found them locked with the defending national champion team from the University of Wisconsin losing by a score of 13-2. In their second game on Saturday, they played the eventual tournament champion, Ole Miss, once again falling 13-2. In game 3 on Saturday, they played the University of Georgia Physically by a score of 13-4. exhausted by three 90 minute contests previously, the Disc

Dawgs took the field with spirits high, finishing out Saturday against the #2 seed in the entire tournament. At halftime. UT-Chattanooga. it looked like another route with Chattanooga. The Disc Dawgs came to life in the second half, scoring at will challenging the #2 seed. All of a sudden the score was tied at 13! UT-Chattanooga stormed back with 2 points to win the game 15-13.

Sunday brought a game against Southern Polytech State University. which once again led to a large halftime deficit for the Disc Dawgs. Facing elimination, they came out strong to start the second half and once again found themselves in a tie at 11. Southern Polytech State scored to take the victory 12-11. It was a successful weekend, scoring 32 total points which exceeded expectations. Taking into account this was only the 2nd tournament ever for the Disc Dawgs (who played at LSU in Baton Rouge back in October) and that the only foes played were 4-year universities, it was a tremendous showing!

The Disc Dawgs have big dreams about the future, hoping to notch that first victory soon. Only time will tell, but the Disc Dawgs are definitely on the right track! The Disc Dawgs are ranked 106th in the country by the Ultimate Players Association. There are 135 teams currently ranked and the number will likely rise to over 600 teams by the end of the spring 2008.

Spring Fling 2007

students celebrate the year's end

By Chaz England

Flowers are blooming, love is in the air, and mechanical bulls are bucking? Yep, it's that time of year again, Spring Fling at Holmes Community College and yes, Holmes does it big every year with a day full of pleasurable and physically strenuous activities, food, and some good of crawfish! Every spring, students and faculty at Holmes partake in fun activities that help us all to ring in the spring season. On the Goodman Campus, Spring Fling is always held next to Holmes Lake and a crawfish boil is always a major staple along with other bar-b-qued foods. Spring Fling gives students and faculty alike, a chance to engage in some wellworth-it-amusement. Whether you want to take it easy and just lounge around alongside the Holmes Lake and enjoy the spring atmosphere, beguile friends with interesting accounts of the school year thus far, or get some action by riding the mechanical bull or taking part in frisbee, folleyball or other activities that Holmes has set forward, Spring Fling is the place for everyone.

With an array of food, drinks and prizes, and many guests expected every year, Spring Fling is the place to be every April on the Goodman Campus. The party starts around the time of supper and continues unto the evening hours. The event is presented by the generous support of the Student Government Association and crawfish vendors.

The Holmes family has always appreciated the Spring Fling activities and the time outside for some well-earned rest and relaxation. It is not a odd sight for teachers to take part in "extreme" activities of Spring Fling such as the obstacle course or mechanical bull. Spring Fling is one of the top favorites among campus activities for students.

Fall Fest 2007

Friends, Food, Games, and Fun!

by Cody Walker

All three campuses started their Fall Fest celebrations off with a blast. On the Goodman and Ridgeland campuses it was a blast of good taste, while on the Grenada Campus it was a "Blast from the Past." The Goodman campus held its 2007 - 2008 Fall Fest, on Halloween night, in the grove. Fall Fest kicked off with dinner in the grove courtesy of Carroll Cafeteria. But the real party got started with a splash. Yep, that's right, a splash as someone threw a softball and hit the dunking booth (made by the Engineering Department) sending Goodman Mathematics instructor, Mr. Gei Wei Lee into a tub of water. Students really got into the "pie Coach Bell in the face" booth. "It was my favorite." Sophomore SGA member Amy Wooten said. If that wasn't enough fun, you could then ride a bull! Wow! No, not a real one, but a mechanical one that simulated the real thing. The bull had most of its riders flying and hitting the mat. The festivities did not end there though. The Bulldog cheerleaders and Dazzlers performed a costume-filled performance that was To top the night's festivities off, "Dead Silence" was shown in the grove. On the Ridgeland campus. festivities kicked off with great food from Pigskins Restaurant. It posed many obstacles, no wait, that was the obstacle course, or was it the rock climbing wall, courtesy of the United States Army. That's right, you didn't have to go to the Himalayas to climb a mountain. just Holmes in Ridgeland, Mississippi. They also had a bull and voter registration booths so that students could register to vote.

The Fall Fest on the Grenada Campus took you back through the decades of the 1920s and on so forth. There was great food, great entertainment and lots of fun! "The Gong Show" drew lots of talent and some not so much. The overall experience of Fall Feast is awesome FREE fun that should be enjoyed by any and all Holmes Community College students.

The other members of the top ten were Kaitlin Osborne, Jade Mann, and Laquita Horton of the Grenada Center, April Alexander from the Goodman Campus, and Megan Beard from the Ridgeland Campus. Alexander received the award for most photogenic for a second consecutive year.

The Holmes Connection! provided entertainment for the beauty review. Denondria Forrest and Stan McCafferty of the Holmes Connection! performed solos. McCafferty also performed a duet with Connection member Erin Kraft.

Boyce Christopher served as mistress of ceremonies. Judges for the evening were Lenora Griffin, Kim Schultz, and Charles Holmes. The pageant was directed by Tina Boyette. Assistant Directors were Amanda Lewis of the Ridgeland Campus and Tracy Herring of the Grenada Center. All three ladies were in their first year as directors but made the event a big success!

Miss Holmes Community College 2008 PAGEANT

by Cody Walker

On the night of November 16, meteorologist Barbie Bassett gave somewhat of an unusual forecast as she emceed The 2008 Miss Holmes Pageant. Her weather forecast said that it was raining...not water but men! Mallory and Tiffany Bridges, and April Alexander kicked off The 2008 Miss Holmes Pageant as the five beautiful young ladies danced with them.

The contestants from the Goodman Campus were sophomores Kimberly Cotton, Laura Burton and freshman Brittni Dickerson. Contestants from the Ridgeland Campus were freshman Francesca Rollins and sophomore Suzanne Adkins.

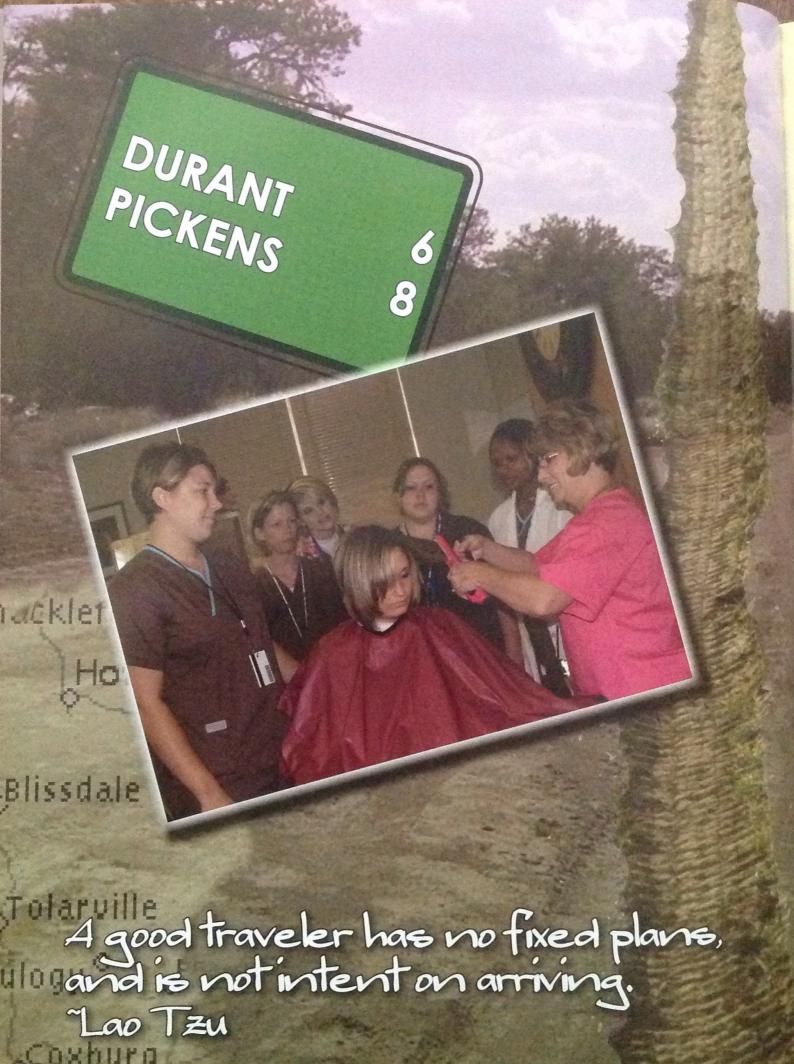

Barbie Bassett, a TV personality from Jackson, served as mistress of ceremonies.

Five judges held private interview sessions all afternoon before the pageant, and each individual's score was carried over to the evening's competition. The contestants then competed in the categories of swim wear and physical fitness, talent, on-stage interview, as well as evening wear.

Brittany Bitzer provided the nights entertainment. Bassett sang, answered audience questions, and provided a little standup comedy routine.

With the audience on the edge of their seats, it was time to announce the new Miss Holmes Community College 2008. All the contestants did a remarkable job and their performances were extraordinary. The judges really had a tough job on their hands. Suzanne Adkins was named runner-up as Brittni Dickerson took the title of Miss HCC.

As Miss HCC, Dickerson will represent the school at the 2008 Miss Mississippi Pageant, a preliminary to the Miss America Pageant. Her platform involves building character in children today for our future tomorrow, Dickerson's talent was vocal music.

olmes Community College is known for many things: excellence in academics, success in sports, and many campus organizations. Some of the more popular clubs are campus Christian organizations, Baptist Student Union (BSU,) The Wesley Foundation, Fellowship of Christian Athletes (FCA.) Many students on all three campuses of Holmes seek spiritual growth in the Lord, so campus Christian organizations can supply them with spiritual fulfillment and can also provide an avenue for fun activities, fellowship, mission trips, and spirit-filled sermons teaching lessons of salvation and good-will.

ampus Christian organizations not only provide students with a place to go for spiritual enlightenment but also a place to go just to feel a little bit like they are at home. The Baptist Student Union on the Goodman Campus, housed in the BSU House on Hill Street, provides its members with a homey environment to interact with God and their fellow man while learning about the teachings of the Lord and worshiping him in spirit and in truth. Both the Wesley Foundation and The Baptist Student Union on all campuses are open to all students that just want a stronger relationship with the Lord or who want to get to know the Lord. The Baptist Student Union was established for Baptist followers and the Wesley Foundation is for Methodist followers; but neither organization discriminates on the basis of denomination. Fellowship of Christian Athletes holds meetings throughout the year. According to FCA's website, their vision is, "to see Mississippi impacted for Jesus Christ through the influence of athletes and coaches. FCA will accomplish this by presenting to the athletes and coaches of Mississippi, and all whom they influence, the challenge and adventure of receiving Jesus Christ as Savior and Lord, encouraging them to serve Him in their relationships and in the fellowship of their local church."

s an addition to the services of Wesley and BSU there are praise and worship teams. BSU's praise and worship team assists with the worship portion of BSU meetings and the Gospel Choir, organized by sophomore Jeromie Jones, is the praise team for the Wesley Foundation. The Wesley Foundation on the Goodman Campus holds weekly meetings in the Chapel on the Hill, and like the Baptist Student Union, welcomes all people who want to be taken on a spiritual adventure of sorts. Regardless of campus, campus Christian organizations offer the same exact path to Christ. Although the services may differ from organization to organization or campus to campus, the message is the same — "Seeking Christ!"

ampus Christian organizations are the backbone of a better understanding and appreciation of the Lord, and are a good foundation for new followers of Christ on the Holmes campuses and beyond. Involvement in such organizations not only leaves students with a better knowledge of Christ but also a better understanding of themselves and others.

The Chapel on the Hill is a place of worship for many Goodman students.

Drama Dawgs Taking the stage to another level

Holmes Community College's Drama Department is definitely one of the best on the community college level in the state of Mississippi.

The Director of the HCC Drama Department is none other than Speech and Theatre instructor on the Goodman Campus, Jim Shroeder. Schroeder directs many play productions throughout the school year and heads two drama organizations on the Goodman campus, The Holme-Towne Players and Delta Psi Omega, a co-ed drama fraternity.

Typically two plays are produced during a school year, one during the Fall semester and one during the Spring semester.

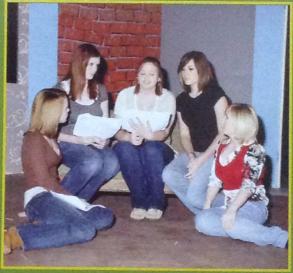

This fall the drama department presented "Fools" a fiction comedy by Neil Simon. Fools takes place in the remote Ukrainian village of Kulyenchikov, about 1890. Holmes students hilariously portrayed the day-to-day life of this cursed village and the out of the ordinary visit of the school teacher, Leon.

All were entertained by the spring play, 'Little Women" from the novel by Louisa May Alcott. The story is based on Alcott's own experiences as a child in Boston and Concord, Massachusetts, with her three sisters.

Everyone also got to see the drama department in action during homecoming. The students performed excerpts with twists from Shakespere's works.

Phi Theta Kappa Journey to Nashville

By Chaz England, Editor

In April '07 the three chapters of the Holmes Community College Phi Theta Kappa ventured to Nashville for the International Phi Theta Kappa Convention that was held at the Gaylord Opryland Resort Hotel and Convention Center. The convention was a week long and had keynote speakers such as former Vice-President of the United States Al Gore and Phi Theta Kappa Executive Director Rod Risley.

The Kappa Alpha, Alpha Lambda Sigma and Alpha Mu Beta chapters from Holmes along with community colleges throughout the world were in attendance. Numerous awards for inner-chapter achievement were given out. Workshops, afternoon meetings, and leadership conferences were held at the convention.

Students also had plenty of time for sightseeing! Holmes students got the chance to visit historical sights such as the Grand Ole Opry and the Ryman Auditorium. Other places visited were: The Wildhorse Saloon, Coyote Ugly, Opry Mills Mall and other points of interest in downtown Nashville.

Above: Grenada Center's PTK students gather before the banquet.

Students that were on the trip enjoyed two dances, a banquet, and a chance to vote for the next International officers of Phi Theta Kappa. Among the festivities was a presentation on "Operation Green" by Al Gore and numerous talks about the theme of the convention: "Gold, Gods, and Glory: The Global Dynamics of Power." Overall the convention was great from start to finish, and the content was inspiring, thought-provoking and relevant to today's times....a great experience.

Student Jovernment Association Journey to Memphis

By Emily Thomas

On November 14 and 15, 2007, the Student Government Association on the Goodman Campus attended their first Leadership Seminar in Memphis with its new SGA sponsor, Tina Boyette. The keynote speaker, Terry Wilson, Vice President of the Southern Region of the United States Postal Service, discussed how to overcome paranoia and not to sweat the small stuff, a very interesting topic coming from a man who oversees 85,000 employees.

Although the meeting was held at 9:00 in the morning, the students listened intently, especially when Wilson made the statement, "You own your own future, you decide how you're going to approach your future. To do this you must have character and integrity. These are behaviors you exhibit when no one else is looking."

Amidst the students were allowed time to take a look around the historic town of Memphis. They enjoyed dinner at The Rendezvous, Memphis' best place for barbeque, shopping at the Wolfchase Galleria Mall, and making close friendships with one another through good fellowship. The trip and seminar were a great success and hopefully it will become a yearly tradition.

Bulldog Football

Only 23 points separated the Holmes Community College Bulldog football team from five division opponents during the 2007 season.

Two seven-point games with Mississippi Delta (36-29) and Itawamba (24-17), a six-point triple-overtime game with Northwest (19-13), a three-point game with Coahoma (20-17) and a one-point overtime game with East Miss. (31-30) could have swung easily to the win column but did not. The Bulldogs defeated Northeast, 13-0, in the final game to pull out the North Division win. The Bulldogs ended the season at 1-8.

In the non-division games, the Bulldogs fell to Gulf Coast, 30-14, Hinds, 34-3 and 29-14 to Pearl River.

After the season, thirteen Holmes Community College Bulldog football team members were placed on the MACJC All-State team following the 2007 campaign.

Sophomore defensive lineman Larry Hart of Madison and sophomore defensive back Stevie Harden of Valdosta, Ga., were named First Team All-State. Hart finished the season with 53 tackles including 11 tackles for loss and seven sacks. Haden finished with 66 tackles, 11 pass breakups, one sack and three tackles for loss.

Sophomore defensive end Tim Cox of Jackson, sophomore linebacker Eldridge Wilkins of Carthage, sophomore wide receiver Antyon Gray of Ridgeland, sophomore offensive tackle Jacob Black of Ethel and freshman running back James Jackson of Brundidge, Ala., were named Second Team Ali-State.

Cox finished the season with 69 tackles including 11 tackles for loss, five sacks and an interception returned for a touchdown. Wilkins had 74 tackles and one interception. Gray finished the season with 29 receptions for 406 yards and four touchdowns. Black was a mainstay at tackle all season while Jackson had 96 rushes for 446 yards and six touchdowns.

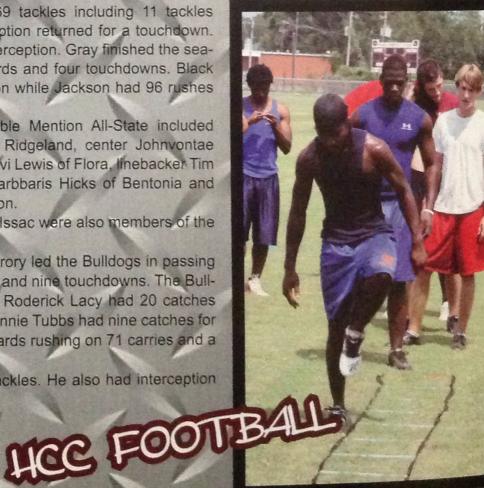

Team members named Honorable Mention All-State included offensive tackle Karlin Givens of Ridgeland, center Johnvontae Brooks of Winona, running back Levi Lewis of Flora, linebacker Tim Issac of Brundidge, Ala., safety Tarbbaris Hicks of Bentonia and linebacker Andrew Rivers of Jackson.

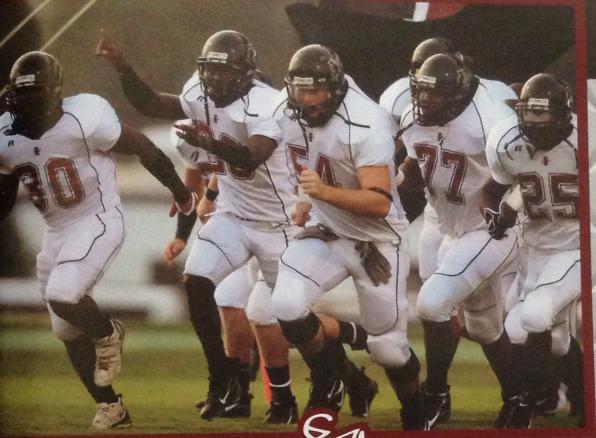

Hart, Black, Harden, Givens and Issac were also members of the North Division All Star team.

Freshman quarterback Matt McCrory led the Bulldogs in passing after going 72-of-158 for 887 yards and nine touchdowns. The Bulldogs' leading receivers was Gray. Roderick Lacy had 20 catches for 189 yards and a touchdown. Ronnie Tubbs had nine catches for 143 yards. Cortez Bowie had 235 yards rushing on 71 carries and a touchdown.

Zach Williams finished with 73 tackles. He also had interception returns for 116 yards.

Cheerleaders

By Cody Walker

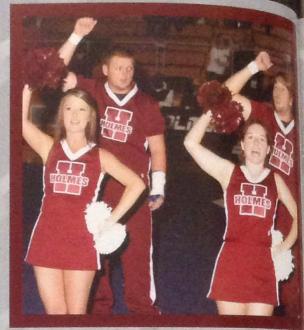

08'....08' is something that you would commonly hear if you watched or heard the Holmes Community College cheerleading squads' many practices leading to its first nationals. 08' was coined by Captain Johnny Ray Reeves, "I just did it to hype ourselves up and to make sure we were all having fun."

This was the first year that Holmes has ever competed in a national cheerleading competition. Nationals were at held Walt Disney World in Orlando, Florida. Nationals is like the super bowl of football or World Series of baseball; all in all, it is the big enchilada. The squad got 7th place overall, which is a great accomplishment considering all the broken noses, bruised eyes, and the pain this squad went through.

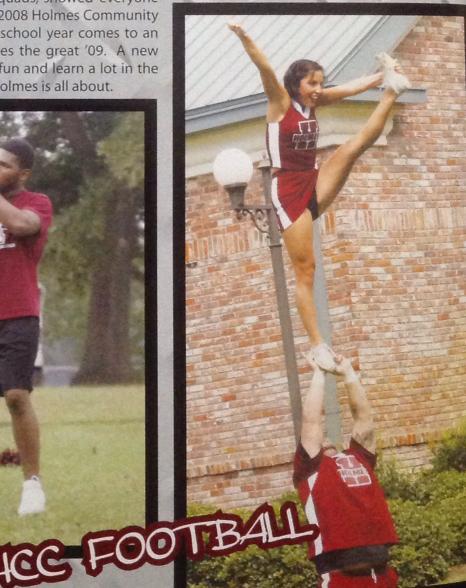

The 2007-2008 squad showed us all that when it seems like nothing is going to work, doing it one more time will do the trick. 'One more time' is the motto of Coach Chastity Garcia. Many practices included squad members pushing themselves to the limit to go 'one more time.'

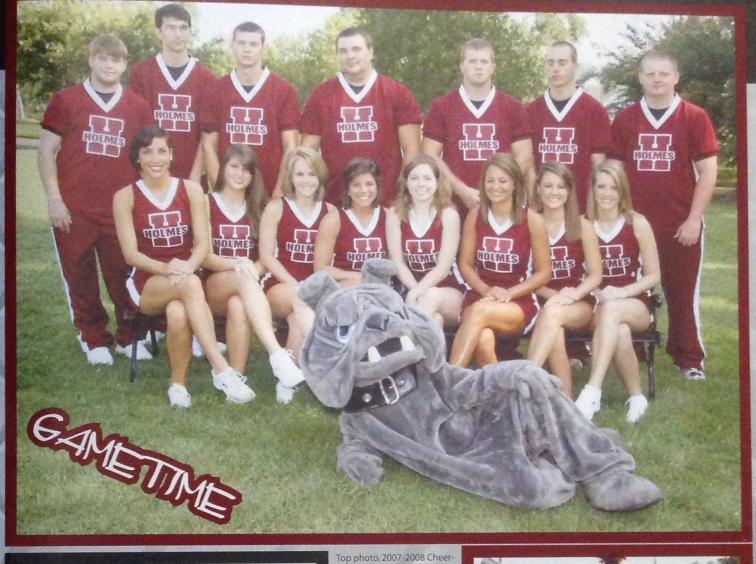

This squad set precedents for future squads, showed everyone what a real squad is made of, and are our 2008 Holmes Community College cheerleading champions. As this school year comes to an end the great '08 starts over and becomes the great '09. A new squad with the same traditions will have fun and learn a lot in the process, and that's what cheerleading at Holmes is all about.

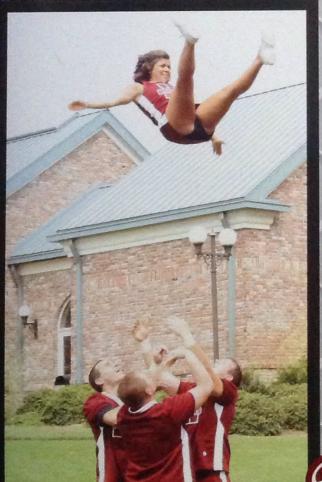

Cheerleaders performed at football games, basketball games and paraduring first and second semester. Joining the squad later were Erin Krah photo, front left) and Anthony Cross (bottom left photo, back right).

Dazzers

By Crystal Nash

The Dazzlers! Dance teams consists of two squads. The white squad, which performs at football games and parades and a maroon squad that performs at football games, parades, and basketball games.

As a team we have accomplished a successful football season and basketball season. The captains for the teams are April Alexander, Mallory Bridges, and Tiffany Bridges. These girls have also served as the team's choreographers this season.

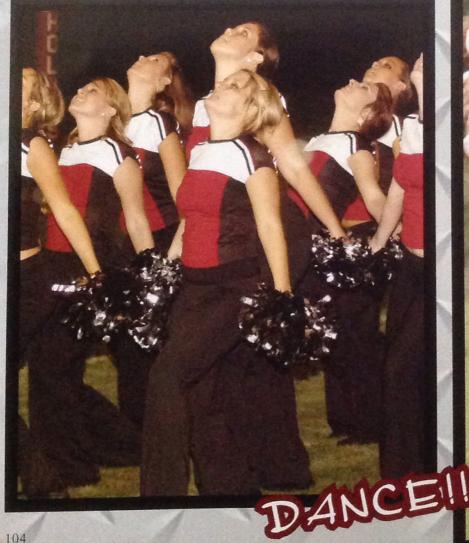

Music of the 60's served as this year's football halftime rountine. The girls loved dancing to the upbeat sounds of the show. Hip hop is the primary style of dance for basketball season.

When choosing the style of music and dance, the Dazzlers! consider what the crowds respond to best. Crowd participation is key to each show.

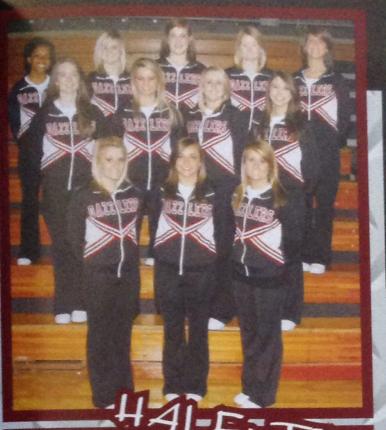

Dazzler coach Leslie Spell explains, "We plan to incorporate team-building tactics into practices to ensure continued successful seasons. It is important for the girls to feel unity among the group."

The Holmes Community College men's basketball team made a return trip to the MACJC State Tournament this season but the run for a third straight state title was short-lived. The Bulldogs, who were 16-7 going into the tournament, fell to Copiah-Lincoln, 68-54.

The Bulldogs, who ended their season at 16-8, came in as the North No. 4 team while Co-Lin was the South Division No.1 team. Co-Lin's win was its second in three games against the Bulldogs this season.

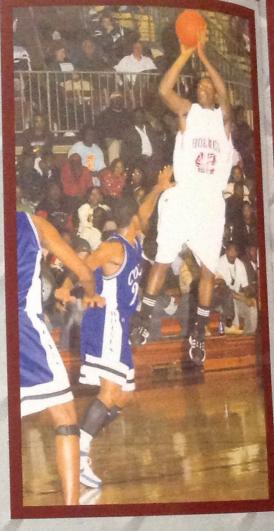

The Wolves led 31-27 at halftime before pulling away in the second half. Jessie Banks led the Bulldogs in scoring with 22 points.

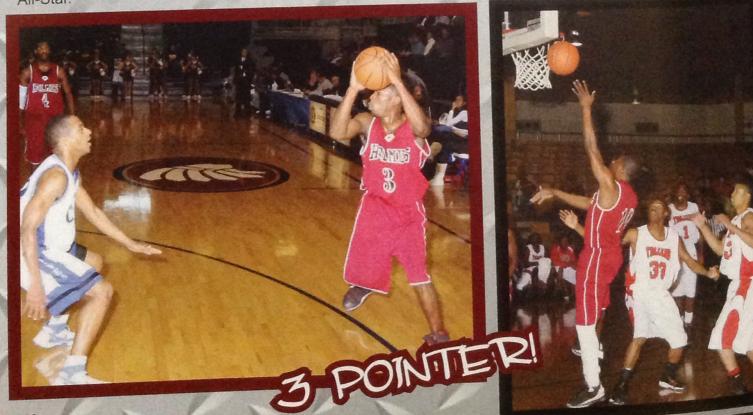

The Bulldogs had to win the state title to have a chance to play in the Region XXIII Tournament.

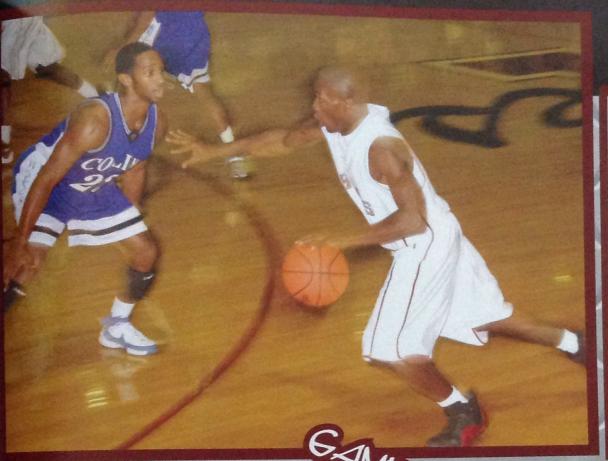

The Bulldogs started the season off like gangbusters going 9-1 before the Christmas break. The Bulldogs defeated East Central and Jones twice, Shorter College, Southwest, Hinds and Arkansas Baptist once before splitting games with Copiah-Lincoln.

The second half started off like the first with a win over Hinds. Then the Bulldogs dropped five North Division contests before picking up a forfeit win over Northwest. The second half of the North Division schedule was a little kinder to the Bulldogs as they went 5-1 to go into the state tournament at 6-6 in the division.

Johnathan Boyd was named Second Team All-State and MACJC All-Star.

Lady Bulldog Basketball

CLINTON --- The Holmes Community College Lady Bulldogs held a slim two-point lead with 1:11 to go but were unable to hold on as East Central made five free throws in the final 30 seconds to pull out a 67-62 win in the finals of the Region XXIII Tournament at Mississippi College.

The Lady Bulldogs and Lady Warriors were battling for a trip to the NJCAA National Tournament in Salina, Kansas. The Lady Bulldogs finished the season with a 14-14 record. Ashley Brown and Kimberly Anderson were named All-Tournament.

The two teams battled in the first half of play, which saw the lead change several times. East Central took pulled out to a 10-point lead with 25 seconds to play. Dominique Harris hit two of three free throws with 13 seconds to play to pull the Lady Bulldogs to within seven at halftime. Before Harris` free throws, the Lady Bulldogs hadn't scored since the 4:40 mark.

The Lady Bulldogs battled back to open the second half. Two Portia Webster buckets and a Felexis Bryant steal and assist to Ashley Brown tied the game at 35.

East Central held a three-point lead with 14:50 to go when Harris hit a three-pointer tied the game at 40. After that point, neither team held more than a two-point lead after a lead change.

Dominique Harris led the Lady Bulldogs with 19 points while Ashley Brown finished with 17.

The Lady Bulldogs got to the championship game after defeating the Copiah-Lincoln Lady Wolves in the semi-finals, 67-64. Ashley Brown led the Lady Bulldogs with 18 points while Kimberly Anderson had 13 and Dominique Harris and Courtney O'Briant each had 11.

In the opening game, the Lady Bulldogs defeated Southern University-Shreveport, 86-85, in overtime. Portia Webster hit an inside bucket with one second to go for the win. Kimberly Anderson led the Lady Bulldogs with 32 points.

MACJC State Tournament

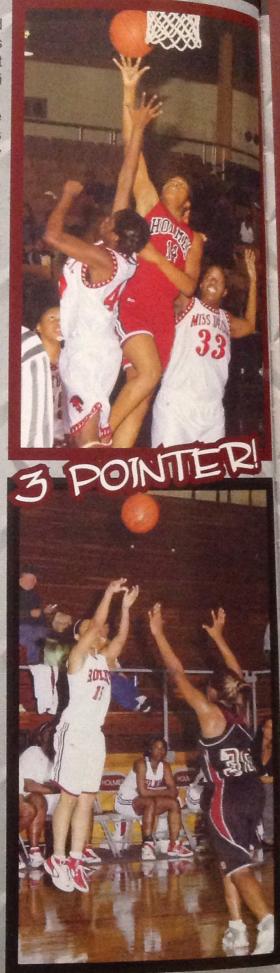

The Lady Bulldogs made it all the way to the semi-finals of the MACJC State Tournament at Fulton. The Lady Bulldogs defeated East Central in the opening round, 74-69. The Lady Bulldogs fell to Itawamba in the semi-finals, 74-54.

Regular Season

The Lady Bulldogs found themselves behind the eight ball to start the season after dropping their first six games of the season. By the time Christmas break rolled around, they had improved their record to 3-7 overall. During this time, the Lady Bulldogs lost twice to East Central and Co-Lin and once to Arkansas Baptist and Southwest while splitting with Jones and winning a game versus Hinds and Shorter College.

After one round of the North Division, the Lady Bulldogs held a 3-3 record. The Lady Bulldogs finished the division play with a 7-5 record. The Lady Bulldogs defeated Northwest and Coahoma twice, fell twice to Itawamba and split games with East Miss., Northeast and Mississippi Delta.

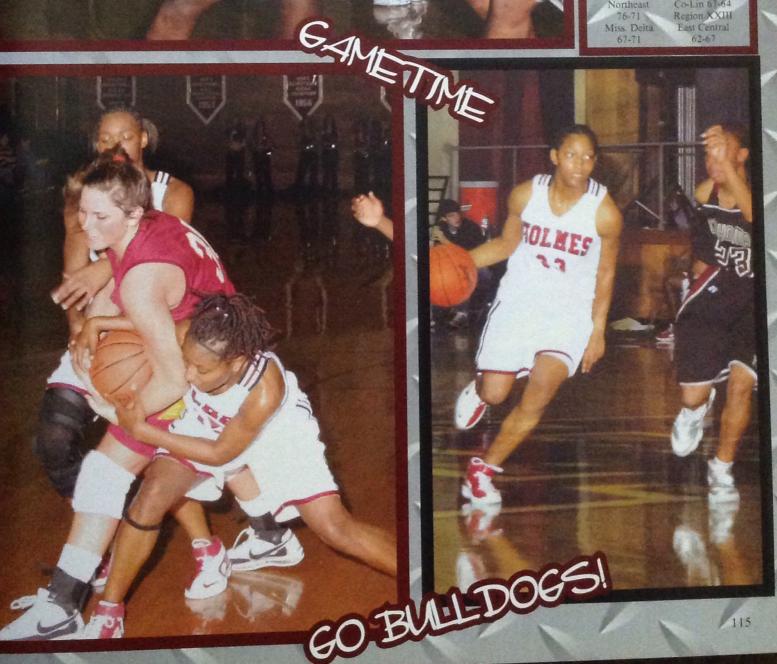

Ashley Brown was named First Team All-State while Dominique Harris was named Second Team All-State. Felexis Bryant and Kimberly Anderson were Honorable Mention All-State.

Bulldog Baseball

The 2008 version of the Holmes Community baseball team, better known as the "Dirtbags," features only four returnees from last season but reminds Head Coach Kenny Dupont of his 2005 and 2006 teams that won 30 games and made it to the state tournament.

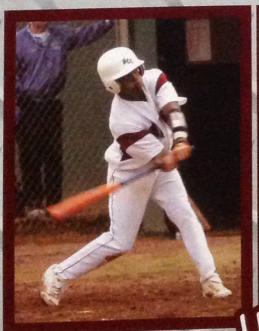

Returning this season are first baseman Josh Boren, second baseman/outfielder Chris Herron, outfielder Chanse Cooper and pitcher Joseph Morris. Boren led the team in hitting with a .355 average. He had 38 hits including eight doubles, one homerun and 18 RBI. Herron batted .201 with 37 hits including 10 doubles, five homeruns and 28 RBI. Cooper batted .315 with 39 hits including eight doubles, one triple and 17 RBI. Morris finished the season with a 5-6 record with a 5.86 ERA in 55 innings of work striking out 48.

Joining the sophomores are transfers Taylor Cochran of Brandon, who played high school baseball at Northwest Rankin and a year at Hinds, and Tyson Brown, who played high School baseball at Raleigh High School and a year at Jones. Brown came to Holmes as an outfielder/pitcher but will catch for the Bulldogs while Cochran will play first base.

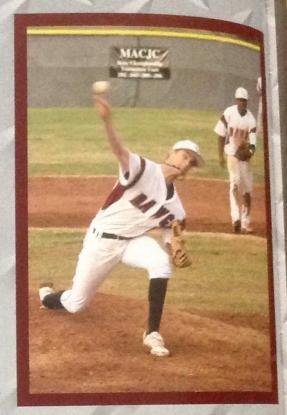

Freshmen newcomers are Jamie Boyette of Goodman, Jorden Brewer of Pascagoula, Wil Browning of Kosciusko, Tuntdrick Burnside of Philadelphia, Will Carpenter of Winona, Zack Creekbaum of Walker, La., Logan Hale of Madison, Chris Haley of Olive Branch, Brian Higbee of Madison, Ben Hodge of Madison, Kane Hollis of Mathiston, Eric Wilkes of Ridgeland and John Michael Williamson of Petal.

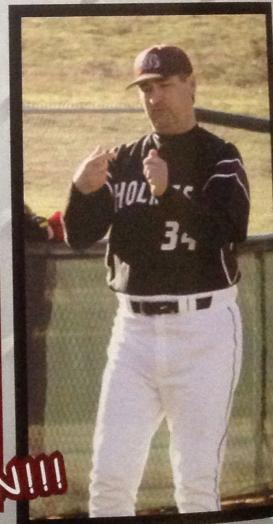

Their positions include: Boyette, infielder; Brewer, second base/short-stop; Browning, pitcher; Burnside, center field; Carpenter, catcher/pitcher; Creekbaum, third base/pitcher; Hale, left field/pitcher; Haley, catcher; Higbee, shortstop; Hodge, right field/pitcher; Hollis, pitcher; Wilkes, outfielder/pitcher; and Williamson, pitcher/ third base.

"I love these freshmen," Dupont said. "They are excellent kids. They play hard and hustle. I know the better they are going to get with experience. I know they are a young team that will make mistakes. We've just go to accept it and move on."

Lady Bulldog Softball

An outstanding signing class, three returnees and a successful fall season should key the Lady Bulldog softball team this season, according to second-year Head Coach Ricky Casey.

Mandy McWhorter, Kacey Vanderlip and Christina Heath lead a freshman class of 14 into the spring campaign. An early season tournament at Northeast showed Casey his team could play and by the last tournament at Belhaven, he was even more pleased. "We felt like from that point we felt we could be competitive," Casey said. "Last year, we were not able to compete in some games.

"Our sophomores have been providing a lot of leadership," said Casey. Joining the three sophomores are Rebecca Carter and Rachel Fairchild of Madison, Beth Livingston of Grenada, Alli Parsons and Brittany Hodges of Philadelphia, Aubrey Pinkard, Kim Summers and Kendall Vance of Kosciusko, Kayci Hutchinson of McCool, Jessie Allred of Eupora, Kayla Perry of Winona, Gena Pepper of Vaughan, Chelsea Raines of Ackerman and Jennifer Cowart of Maurepas, La.

Freshman positions include: Carter, shortstop and pitcher; Livingston, second base; Fairchild, center field; Allred, center field; Vance, left field; Cowart, left field and catcher; Raines, third base and pitcher; Hodges, outfield; Parsons and Perry, first base; Pinkard, pitcher and outfield; Hutchison, second base; Summers, pitcher and first base; and Pepper, outfield.

Hodges was the leading hitter during the fall campaign with a .600 average in 10 at bats. She had six hits including three doubles. Carter was second with a .478 average in 23 at bats. She had 11 hits, a double and a triple with five RBI. Vance finished at .417 in 12 at bats with five hits and four RBI.

Casey said the middle infielders (Carter and Livingston) and Fairchild in centerfield came up huge in the fall. "Defensively we have some people who can play," Casey said. "They really made us strong up the middle. We feel our outfield (Vance, Fairchild and Allred) has a lot of speed."

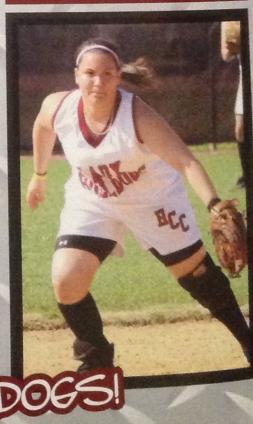

Joining Casey on the coaching staff is former Lady Bulldog softball player, Mandy Clark. Along with coaches, she also teaches first aid and CPR. Clark comes to Holmes from Terry High School where she was the head fast pitch coach and taught Algebra.

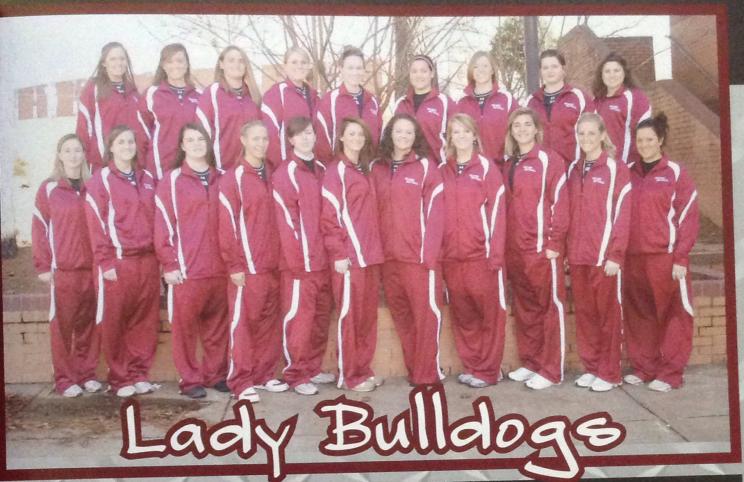

In addition to her associate degree in physical education at Holmes, she has a bachelor's degree in exercise science from Ole Miss and a master's degree in sports coaching from the U.S. Sports Academy.

Improvements are being made to the softball field. New bleachers and a press box were being constructed in late January. Casey said a restroom-concession stand facility should be finished before the season starts as well.

Bulldog Golf

By Marcus Stone and Steve Diffey

The Holmes Community Golf Team is led by Head Coach Kay Jenkins, who is entering third season. Jenkins is a Western Civilization and American Government professor on the Ridgeland Campus.

Jenkins says that she is very excited about this season. Her goal for this season is to finish in the top five of each of the tournaments.

With the talent and ability on the team she added that it is very possible. Despite only returning one player from last season, third-year Golf Coach Kay Jenkins is expecting the men's golf team to make some noise in the MACJC this season. Jenkins will be looking to her veteran player, Forest

Anthony, who played the number one position in most of the tournaments last year. She said Anthony will be a force this year and show some good leadership.

Joining Anthony are newcomers: Zachary Longgrear and Greg Photopulos of Madison, Tyler Berry of Brandon, Will Goff of Duck Hill, Blake Powell of Durant and Stan McCafferty of Kosciusko. The players come from all three campuses of Holmes. Anthony, Longgrear, Berry and Photopulos are students on the Ridgeland Campus while Powell and McCafferty take classes in Goodman and Goff takes classes in Grenada.

"I think out of the years that I've been here, this is the best team that I've had," Jenkins said. "The potential is here to do really well. I'm feeling a spark of something special this year. This is the biggest team that I've ever had. It's big enough this year that somebody will have to stay at home when we go on the road."

Jenkins said Anthony is her No. 1 player, but from him down "we are about the same. We don't fall off. They all have potential to come in and shoot low scores."

"Forest seems to do well in any circumstance," Jenkins said.
"He's very smart on how he manages the course. Putting is one of his big strengths."

She said Berry works hard on his game. "Tyler is good off the tee," she said "His approach shots are good."

Powell's strength is off the tee as well, she said. "He may disagree with that," Jenkins said. "He's a big kid coming from basketball. Some of his technique needs to be polished, but he makes his swing work. Putting and his short game are what we are going to concentrate on."

Will Goff and Greg Photopulos; (back row, I-r) Forest Anthony, Stan McCafferty, Blake Powell and Tyler Bern.

Jenkins said McCafferty has improved in his putting in the fall. "When Stan gets in trouble, he plays for a miracle shot. We are going to try and keep Stan in the fairway."

Photopulos is an older player who works at Reunion Golf Club. "I'm most impressed with him off the tee and his approach shot," she said. "We are working with his putting."

She said Goff brings a great attitude to the team. "He knocks the stew out of the ball," Jenkins said. "He's eaten up with it. He's excited about playing, and he's very impressive from 100 yards in. We are working on his putting."

Longgrear is probably then team's longest hitter. "He does this thing with his hands and feet," Jenkins said. "He puts it out there. He's working on smoothing his swing and seeing a lot of improvement."

Jenkins said she expects great things from the team. "I think we're going to be right up in there," Jenkins said. "I'm expecting the top five in every tournament. We are just stronger all the way down through the team."

On the Goodman Campus the tennis team practices diligently preparing for a hopeful winning season. If weather doesn't permit an outdoor practice, the team trains by boxing, running stairs, lifting weights, etc.

"We can do anything that we set our minds on doing," Amanda Frazier said, "we have all the potential in world to be the best, we just need to put our minds on the game, play the game to the best of our ability, and then picture the win."

This season the team will be planning on playing more matches than last year. Both the women's and men's team will be playing in the state tournaments in April and they are all hoping to excel about over all the other community colleges in the state.

Results from a busy fall schedule have second-year Holmes Community College Tennis Coach Greg LeVert excited about the tennis squad's chances this season.

The team traveled to Alexander City, Ala., in September and participated in the Intercollegiate Tennis Association Tournament there against some stiff competition. The Bulldogs had three players --- sophomore Chris Prevost and freshmen Will Brunson and Rhett Young --- make it to the semifinals of the consolation round.

"That was encouraging," LeVert said. The tournament featured some 114 players.

Prevost of Ethel joins Jacob McBride and Breck Riley of Kosciusko and Clint Rivers of Benton as the only returnees to the team. Joining them are Brunson and Young of Greenwood, Mack Vaughn and Chase Cummins of Kosciusko, Allen Ward of French Camp and Andrew Rivers of Clinton. Ward, Cummins and Rivers are sophomores while the others are freshmen.

LeVert said Young will be the team's No. 1 with Brunson as No. 2. He said the skill level of the remaining team members is so

close. He will test the team in the early tournaments to decide if

Molly Daniels of French Camp is the only returnee to the women's team. Joining Daniels is her sister. Martha, and Heather Box of Ethel.

Amanda Frazier of Grenada and Christina Pate of Greenwood.

"She has a lot of energy and will provide great leadership for the younger

players," LeVert said of Daniels.

The teams also played against Jones and Pearl River in the fall. LeVert said the fall schedule was important to the development of the younger players.

"It's like the freshmen are sophomores." LeVert said. "They got to play and practice. They understand what's expected of them."

"I'm looking for good things in the spring," LeVert said "We have 15 matches to prepare for the state tournament. I really expect to have a winning season."

The tennis team is one of the smaller teams here at Holmes. The team's goal this year is to be one of the top teams in the state and with all the talent on the team it is possible.

Bulldog Intramurals

by Val Summers

If you like football, basketball, shooting pool, and playing Frisbee, then intramurals is for you. Intramurals is what all the guys and gals on the Goodman Campus crave to do during the week. The man behind the scenes is our very own Coach Jason Flanigan. He is also assistant coach for the men's basketball team.

"The intramural program gives the students a chance to get away from studies and participate in activities with friends playing friendly games," says Coach Flanigan.

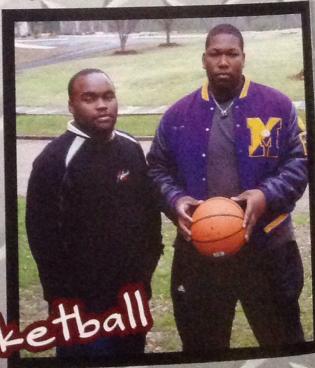

Intramurals give students the opportunity to participate in a variety of competitive sports. There are many intramural sports that are offered: Co-ed softball, volleyball, ultimate, 3-on-3 basketball, flag football, pool, and ping pong just to name a few. Some of the girls on campus enjoy playing these sports as well, even if the guys take over most of the time. This program teaches team work along with individual self-confidence. Anybody can play a sport regardless if you have ever played before.

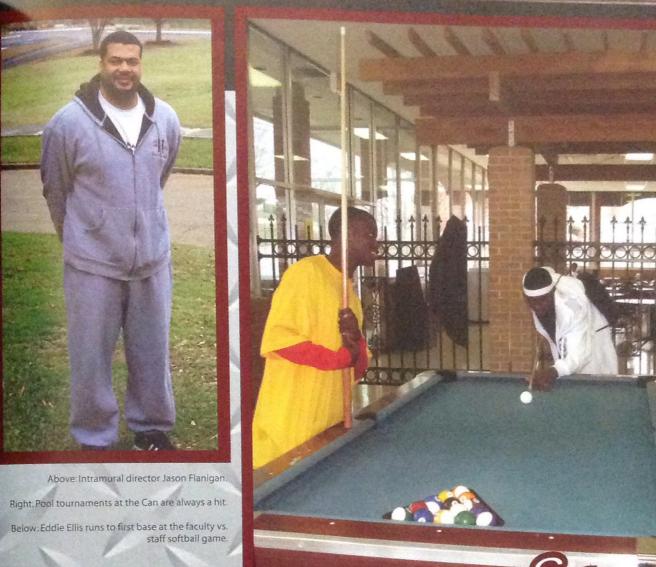

Some of the students that play in our intramural program have either played the sport for many years or they may just be playing them for the first time. So if you are ever fed up with homework and need to blow off some steam, try joining one of our intramural teams, it is a way to hang out with your closest friends or make new ones.

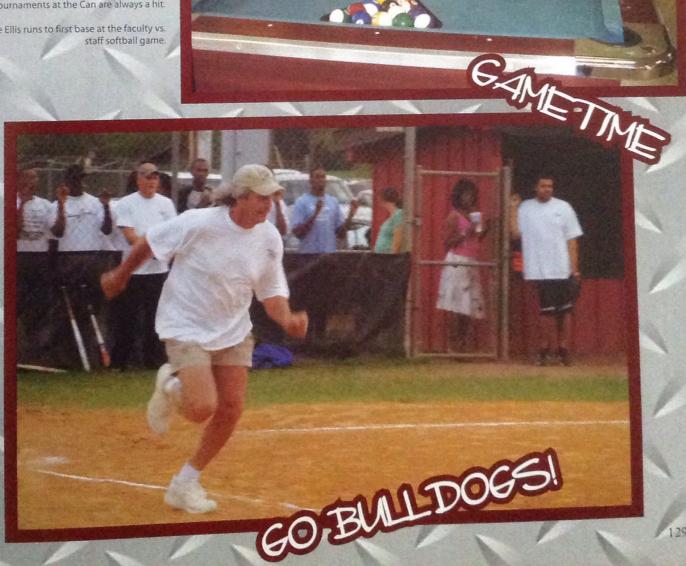

Above: Ultimate frisbee became a favorite on the Goodman Campus.

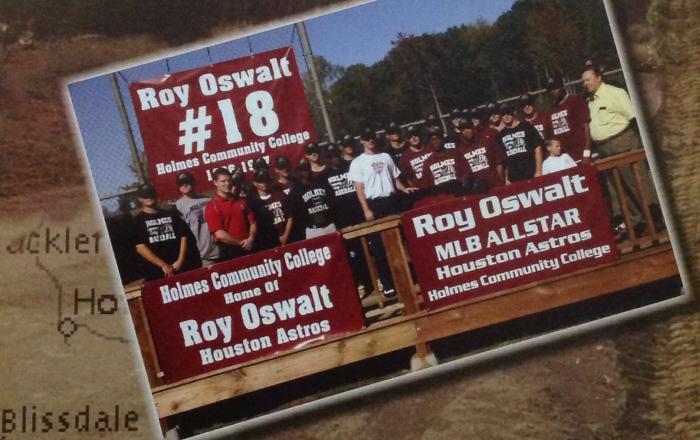

Below: Jermaine Johnson, left, and Marcus Stone served as intramural managers for the 2007-08 school year.

SOPHOMORE

where to go from here?

By: Chaz England, Editor

Transfer college applications are turned in, transcripts are being mailed and classes are business as usual. Extracurricular activities are plenty, times with friends more fun than ever; and the last thing you're thinking about are finals. What are we talking about? Sophomore year at Holmes!

Sophomore year at Holmes Community College is one of the most rewarding times that a person could possible experience. Sophomore year is all about times that we will all cherish and remember for years to come and the time where lifelong friendships are established and maintained.

Regardless of your major, ethnic background, or gender, everyone at Holmes makes up one big closely knit family. As a sophomore at Holmes, one will most likely have the ability to:

balance out school academics with extracurricular activities, multi-task, and one will pretty much know everyone on campus on a first-name basis.

Sophomores know that Holmes Community College offers an excellent education to students that will enable them to transfer to a four-year university or jump straight into a rewarding career. Holmes also offers plenty of memorable times that we all will come to miss. There are certain things that Holmes offers that other instirutions of higher learning don't: a friendly, family-like atmosphere!

As sophomores move on, there will always be a special place in their hearts for this institutuion. Simply put, there is no place like Holmes, and sophomores know that!

to be a

FRESHMAN ...and the journey begins

By: Amanda Frazier, Co-Editor

To be a freshman in a community college is a step up from high school; it will prepare you for your future and will help you set you goals high.

Starting in April, before high school graduation, we sit, filling out application after application; admissions, financial aid, dorm application, scholarship applications, etc., sometimes being too much to handle. Soon our acceptance letters come in the mail. Days later the phone rings and it's your roommate calling to introduce him/herself. Letters of preparation are coming in the mail; boy are our parents happy!

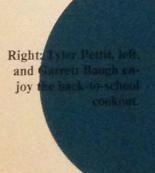

Then time comes to move into the dorms. In many ways moving into a dorm is exciting because we are out from under our parent's wings and somewhat out on our own. New people, new environment, to some it may be kind of scary; just the thought of not having any friends or even getting lost on campus.

The first day of class: teachers seem nice, students are quiet, and our phones are ringing off the hook, with our parents on the other end calling us 24-; meanwhile the students around us looking at each other with curios-

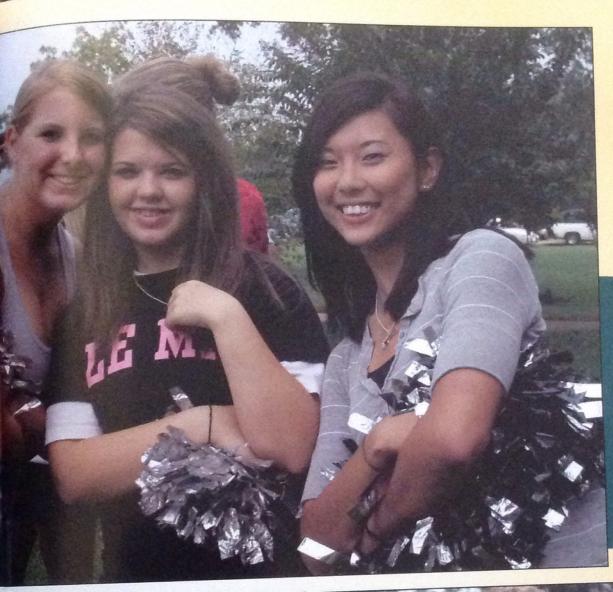

A few months rapidly passed by and soon you have numerous friends, know where all the "COOL" hangouts are, and now you are getting mid-term grades. Homecoming, studying, more studying, and more afterhours activities consume all our free time.

Being a FRESHMAN, here at Holmes, our eyes have been opened to the "Real World" in some cases. Our parents aren't telling us what to do or coming in our rooms asking if our homework is done. We do things at our own pace and schedules. I'm sure that all of us believe that Holmes was a very good choice.

On to Tomorrow's Destination

We reflect on the 2007-08 school year at Holmes

by: Chaz England, Editor

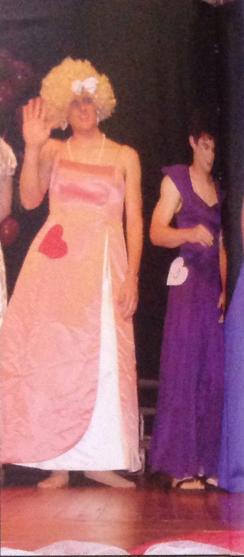

For the 2007-08 school year, a campus filled with newly renovated buildings greeted students, and those students who were returning Bulldogs really took notice! Along with the many renovations made over the summer. Holmes also provided many activities for students. Tina Boyette, new SGA advisor and Student Activities Director on the Goodman Campus, planned awesome activities for Holmes students on the Goodman Campus. Boyette arranged "Welcome Week" activities that included a dance, waterslide, and ice cream social. A pig-chasing contest during homecoming week and a winter formal were among other activities. Amanda Lewis, the new Ridgeland Campus Student Activities Director, provided students with a variety of activities all year. The Grenada Center students enjoyed the popular annual Decades Mixer along with Spring Fling and many other activities.

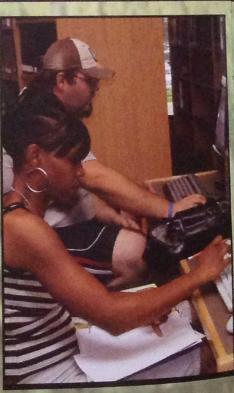

Students got a chance to roam the globe spring semester as Caroline Barton led a select number of her Western Civilization and US History students on a trek around Europe during Spring Break Barton and her students toured cities such as Rome and Paris. Other trips that took place during this school year were: band made special performances in Orlando, an SGA Trip to Memphis for a Leadership Conference, a cheerleading trip to Florida for Nationals, and Holmes' Ultimate Frisbee team made a trip to Baton Rouge earlier in the school year for a tournament. Lorenzo Aju represented our institution as the winner of the MADE conference scholarship. The Ridgeland Campus received a visit from Mississippi Governor Haley Barbour, while Miss Mississippi, Kimberly Morgan, graced Goodman with her presence.

One unexpected event that took place during this school year was an F3 tornado that ravaged certain areas of the town of Goodman. Nine homes were damaged; one with major damage; three homes with minor damage and three injuries were reported in the Goodman community. The tornado gave Holmes students more introspect on natural disasters; it really did hit close to home. A brief power outage and downed network occurred after the tornado, which was clearly visible beyond Branch Field. Thanks to new Chief of Police Jeff Johns; administration, students and employees were aware of the weather and knew when and how to seek shelter.

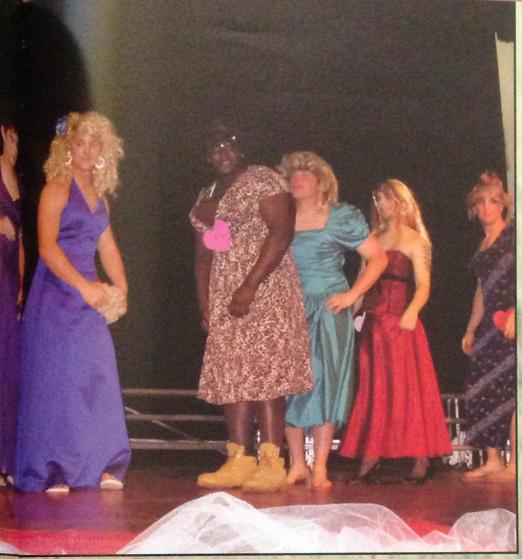

The 2007-2008 school year also brought about a lot of technological advances. With the new Holmes website and "My Doghouse" web portal, students have updated and accurate information at their fingertips. With the "My Doghouse" web portal, students can access class information, email their instructors, and schedule, add, or drop classes. The addition of "My Doghouse" to the Holmes way of life was perhaps the greatest change this year that involved a learning curve for some students. Everyone learned how to operate 'My Doghouse' with the help of Jenny Jones, Wesley Lepard, Kevin Baker, and the rest of the technical staff.

As a full year of events occurred, it gives us all a better understanding of the tenacity and character of Holmes. Throughout all events at Holmes, students and staff have worked hard to be the best. Holmes is a college that is built on the power to withstand. As we have watched enrollment climb, we continue to learn together, we play together, and we withstand together, and work towards our destinations in life.

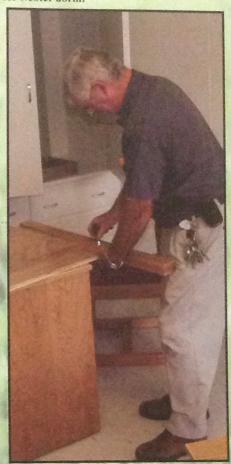

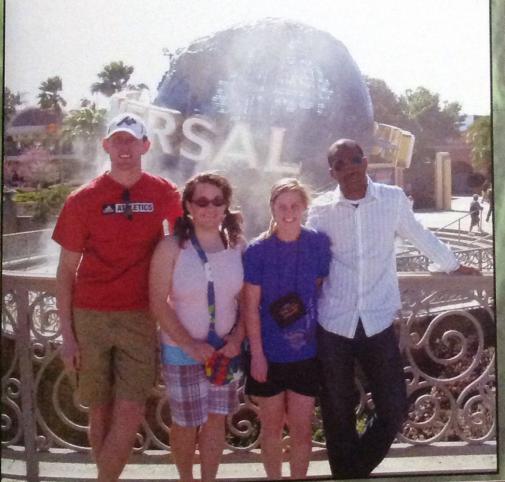

Above: Ridgeland students take advantage of My Doghouse.

Below: Bill Davis puts together new desks for Motel dorm.

Above: Tornado damage was everywhere in and around Goodman. The spring of 08 brought an abundance of bad weather to Mississippi.

Left: Students traveled with the steel and jazz band to perform in Orlando during spring break. Pictured at Universal Studios are, I to r: Rick Renfroe, Amanda Frazier, Ashley Plummer, and Kheria Brown.

editor's note

Chaz England, Editor, & Amanda Frazier, Co Editor

As the 2007-2008 editors of the Holmes Community College Horizons, we would first like to thank the Lord our God. We truly believe that we can do all things through Christ that strengthens us and we would just like to acknowledge Him because this yearbook, in our opinion, is the product of Him; He works within and through us. We would next like to thank the faculty, administration, students and dedicated Horizons Fall and Spring staffs. Without the help and contributions of the bulldog family, a yearbook would not be possible.

We would like to thank our magnificent yearbook advisor Melissa Love for her support along with many hours of help to make this yearbook a tremendous success. We also thank Steve Diffey for his assistance with this year's yearbook by providing moral support and great photography. Both Melissa and Steve have gone above and beyond the call of duty on all levels to assist in the making of this year's yearbook.

A special thanks to Nan Sykes for proofreading and offering wisdom for the development of this wonderful book. Last but definitely not least, we'd like to thank our families for their support and assistance with this year's book. It is our sincere

hope that this book does not simply rekindle a personal account of this year's events and long-lasting memories but also that it is a tool showing Holmes' continuing accomplishments.

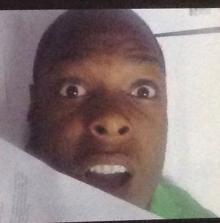

Yearbook production has been no easy task, but we can now look back at those difficult times and laugh. "Today's Journey Tomorrow's Destination" is the theme of this yearbook and it seems to be the perfect motto for a Holmes Community College yearbook. Your days at Holmes are but a mere journey in the big picture that is called life, and Holmes prepares you for your next destination. Based upon the firm education we have received at Holmes, we shall move forward to further our educations or pursue careers. We are thankful for the many doors that Holmes has opened for us. We are proud to present this year's events and happenings. Holmes has truly gained a place in our hearts forever.

Sincerely, Chaz England & Amanda Frazier

FEARLESS

By Amanda Frazier

There's nothing to fear. You're as good as the be As strong as the mightiest, too. You can win in every battle or test; For there's no one just like you

> There's only one of you in the world; So nobody else, you see, You can do your fork in as fine a way: You're the only one there'll be.

So face the world, and all life is yours To conquer and love and live; And you'll find the happiness that endures, In just the measure you give.

There's nothing too good for you to process. Nor heights where you cannot go: Your Power is more than belief or guess It's something you have to know.

There is nothing to fear. You can and you will For you are the invincible, So set your feet on the highest hill. There's nothing you cannot do. And now you can pass your test!

Dr. Glenn Boyce By Kervontae Jones

A man with great power, and honor too He does everything at school that he should do

No matter the time or the place He's always there to help, doesn't matter how lor it takes

He works hard and helps everyone; To make sure that every single job is done

A smile is always stored upon his face Even when he's agitated or upset, he still share his grace.

He's Holmes Community College's man of choice Our own president, Dr. Glenn Boyce
